

Crystallography Congress 2019

November 18-19, 2019

Helsinki, Finland

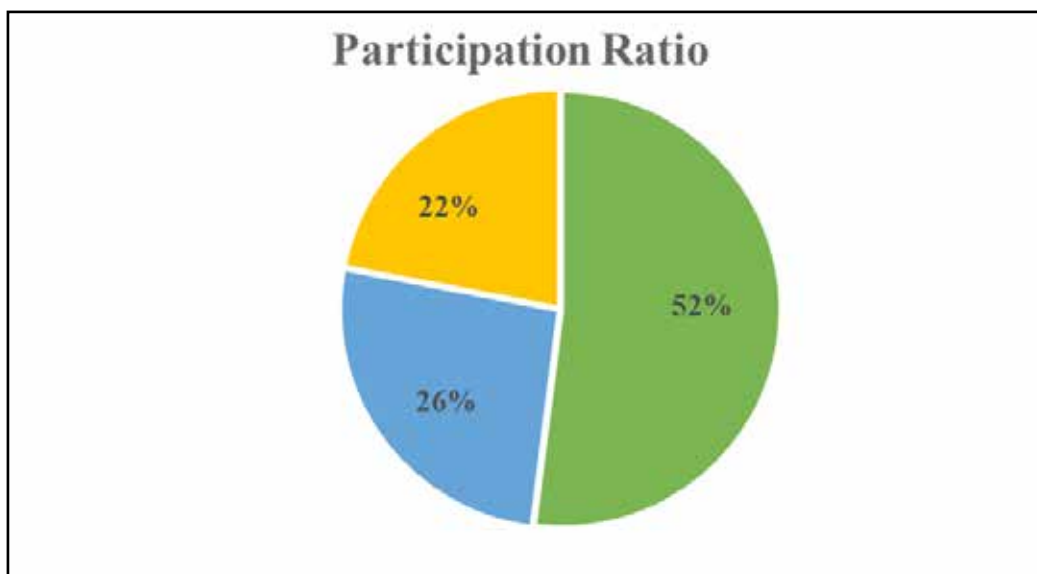

5th International Conference on

Crystallography & Novel Materials

Theme: Structural innovation of Crystals and Novel Materials using latest
Crystallographic methods

Who attends?

- Eminent Scientists from Materials Science
- Directors of companies
- Materials Science Engineers
- Nanotechnology Engineers
- Researchers from Mining and Metallurgy field
- Chemistry Research Professors
- Young research fellows from Universities
- Chemical Engineering Students
- Chemical Engineers and Ph.D. scholars
- Associate Professors
- Members of different Materials science Associations
- Delegates from Metallurgy Industries
