A large number of rooms have been reserved. Discounted room rates for DATA ANALYTICS 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Bangkok

Bangkok certainly lives up to its reputation as a travel hot spot in Southeast Asia. The 'City of Angels' has funky markets, upmarket malls, a riverside full of surprises, a vibrant nightlife scene, many fabulous sights and attractions that reflect its unique heritage, and much more. Bangkok is a city of contrasts with action at every turn; marvel at the gleaming temples, catch a tuk tuk along the bustling Chinatown or take a longtail boat through floating markets. Food is another Bangkok highlight, from local dishes served at humble street stalls to haute cuisine at romantic rooftop restaurants Bangkok, is Thailand's national capital and the biggest city. Bangkok is monetary and social focus and has one of the Southeast Asia's most prominent ports and terminals. It is a standout amongst the most gainful rice developing districts in Asia. It additionally has number of sugar factories and material businesses. The vast majority of the exchange is done through port of Bangkok in Thailand. There are more than 400 Buddhist sanctuaries which are called as wats.
