Best Poster Award

- • You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster

- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research

- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement

- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations

- Learn about career development and the latest research tools and technologies in your field

- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research

- Develop a foundation for collaboration among young researchers

- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe

- Interact and share ideas with both peers and mentors
