Missed diagnosed cases of ‘Eagle Syndrome’, an uncommon facial condition
Sujit Pradhan, Dr. R Ahmed Dental College & Hospital, India

Contemporary orthodontic treatment
Title: Innovational approaches in normalization of occlusal plane
Maria Vasilyeva, Peoples' Friendship University of Moscow, Russia

Title: Comparison between water-based versus water/ethanol-based All-in-one self-etch Adhesives
Turki A. Bakhsh, King Abdulaziz University, Saudi Arabia

Title: A numerical investigation to achieve optimum intrusion of a maxillary central incisor in lingual orthodontics
Abhishek M. Thote, Sharad Pawar Dental College, India

Title: Perceived connections between oral health and stress among pregnant women: A study in Saudi Arabia
Anwar E. Ahmed, King Abdulaziz University, Saudi Arabia

Title: Effect of Coriander essential Oils on microorganisms in Denture Patients and its effect on color of the denture base
Sahar Elkholy, Pharos University In Alexandria, Egypt

Guidelines
1. Each speaker presentation duration is 25 minutes and there will be 5 minutes discussion with the session chair and speakers.
2. Certification will be provided by the organizing committee.
3. Speakers are required to submit their PPT’s at least before 1 week of the conference.
4. All the abstracts will be published (with DOI) after the conference as a special issues in Journal of Cell Science & Therapy.
5. Poster presentation session will be allocated with 1 hour and Best Poster Award will be announced on Day 3.

Note: **Please note that this is a Preliminary Version of the Scientific Programme for the American Dentistry-2017 designed with the projected speakers names and titles. The final programme may still subject to change.
Conference Highlights

- Orthodontics & Dental Implants
- Dental Pharmacology
- Dental Case reports
- Oral Microbiology and Pathology
- Forensic dentistry
- Dental Marketing
- Dental Ethics
- Future Trends in Dentistry
- Oral Implantology
- Therapy and Treatment
- Contemporary orthodontic treatment
- Craniofacial Surgery
- Management of traumatic injuries to children
- Oral Cancer
