World Congress on

## Oral Care and Dentistry

November 19-20, 2018 | Cape Town, South Africa

our DELEGATE  
is your CLIENT

# Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of oral and dental care, dentistry, dental health, oral cancer, oral disorders, dental treatment, dental marketing and other dental aspects.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

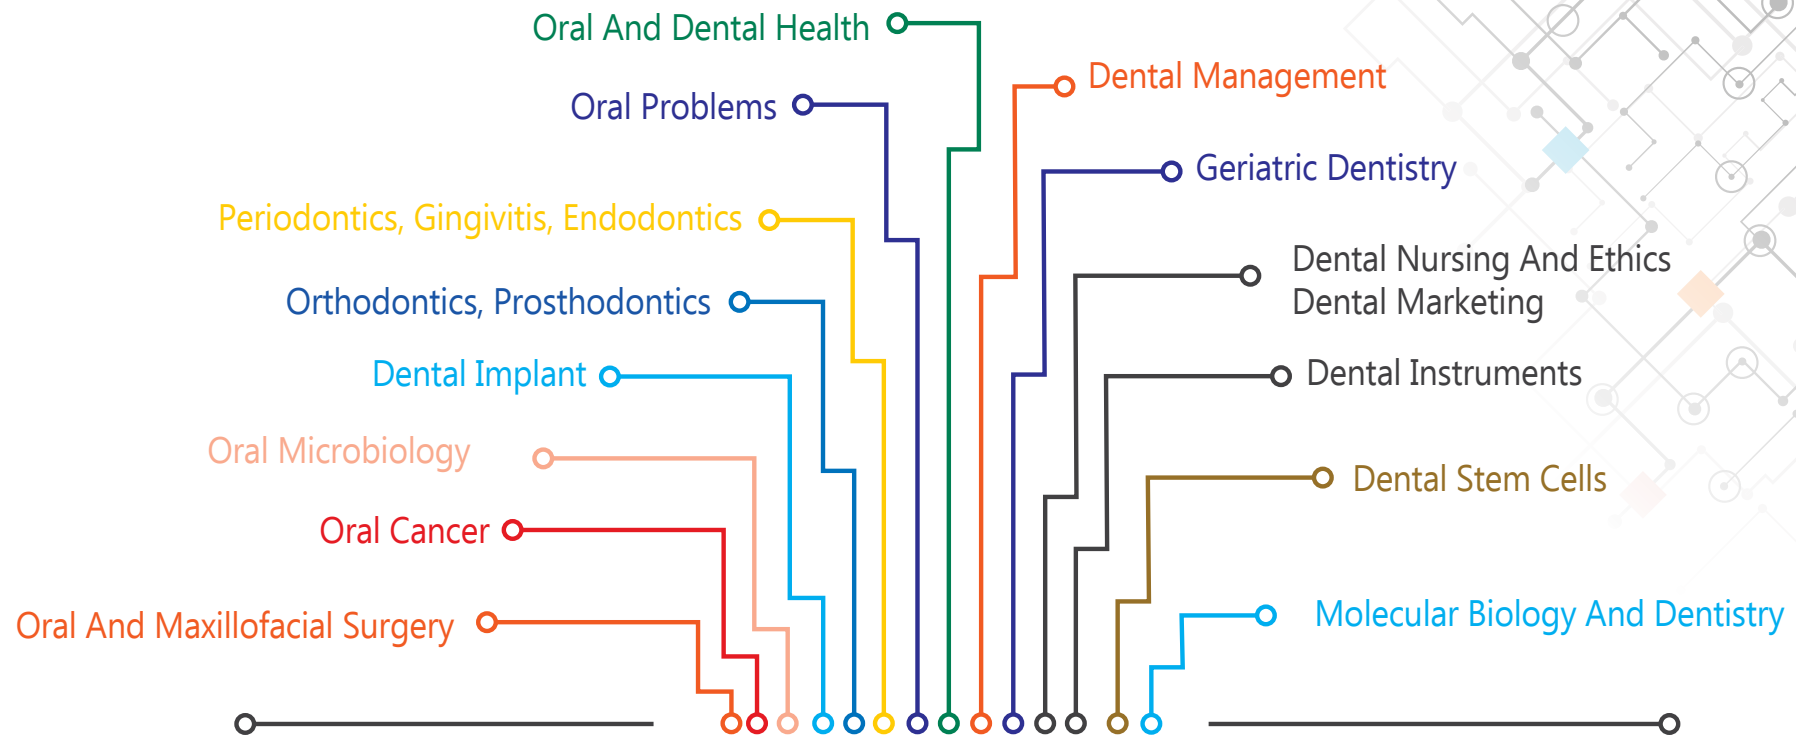

Workshops and  
Special Sessions

40+ Oral  
Presentations

25+ Poster  
Presentations

Young  
Researchers  
Forum

# Venue & Hospitality

Cape Town is one of South Africa's most truly imperative urban areas. It was here, in the Mother City, where the primary European homesteaders set foot in South Africa—which likewise denoted the start of the South African slave exchange. It was home to maybe the world's most well-known political detainee—Nelson Mandela—who was hung on the minor Robben Island in Table Bay. Here are a couple of the point of interest verifiable minutes that make Cape Town the place it is today. Cape Town isn't just a well-known worldwide visitor goal in South Africa, however Africa all in all. This is because of its great atmosphere, normal setting, and very much created framework. The city has a few understood normal highlights that pull in vacationers, most eminently Table Mountain, which frames a vast piece of the Table Mountain National Park and is the back end of the City Bowl.

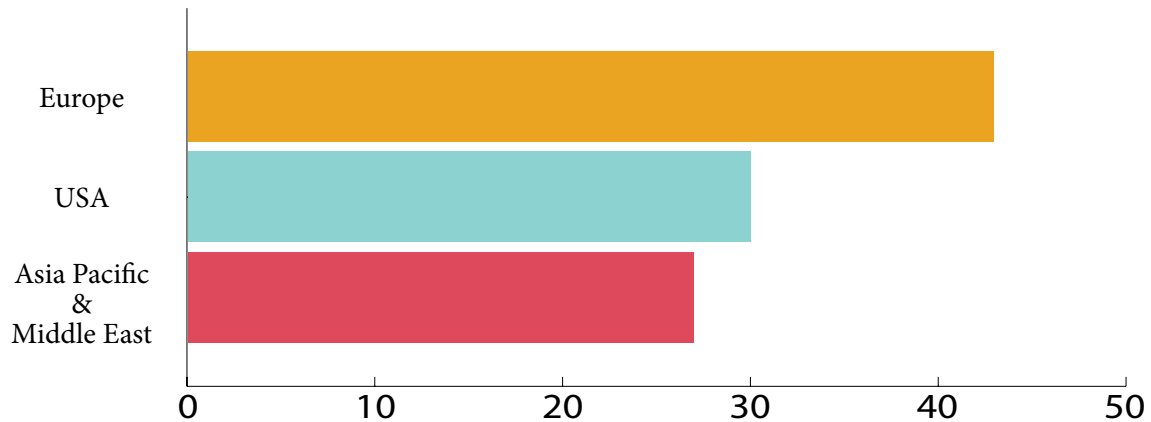

# our DELEGATE is your CLIENT

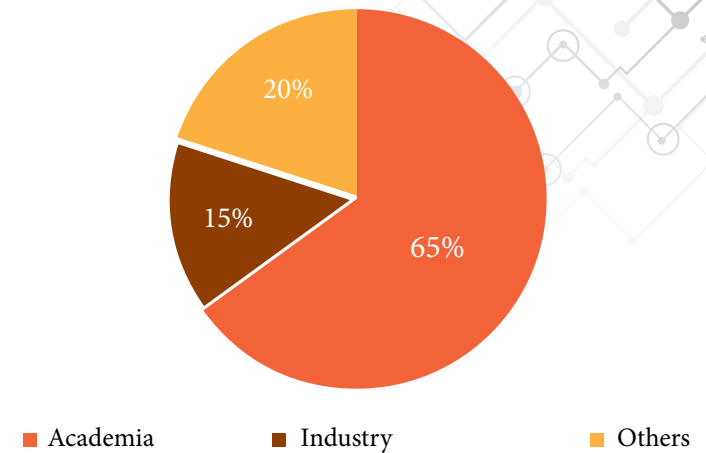

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.
