### Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During this time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to show a new and interesting technology to attendees. Over the past years the workshops have proved to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Depression, Anxiety and Stress Management, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (November 05, 07:00 AM to November 06, 11:00 PM) without an agreement in writing from the Depression, Anxiety and Stress Management Organizers.
