

# SPONSORSHIP OPPORTUNITIES

7<sup>th</sup> International Conference on

## **Drug Discovery and Toxicology**

July 13-14, 2020 | Helsinki, Finland

our DELEGATE  
is your CLIENT

# Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Drug Discovery and Development, Pre-Clinical and Clinical Research, Role of Nanotechnology in Drug Discovery and many more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

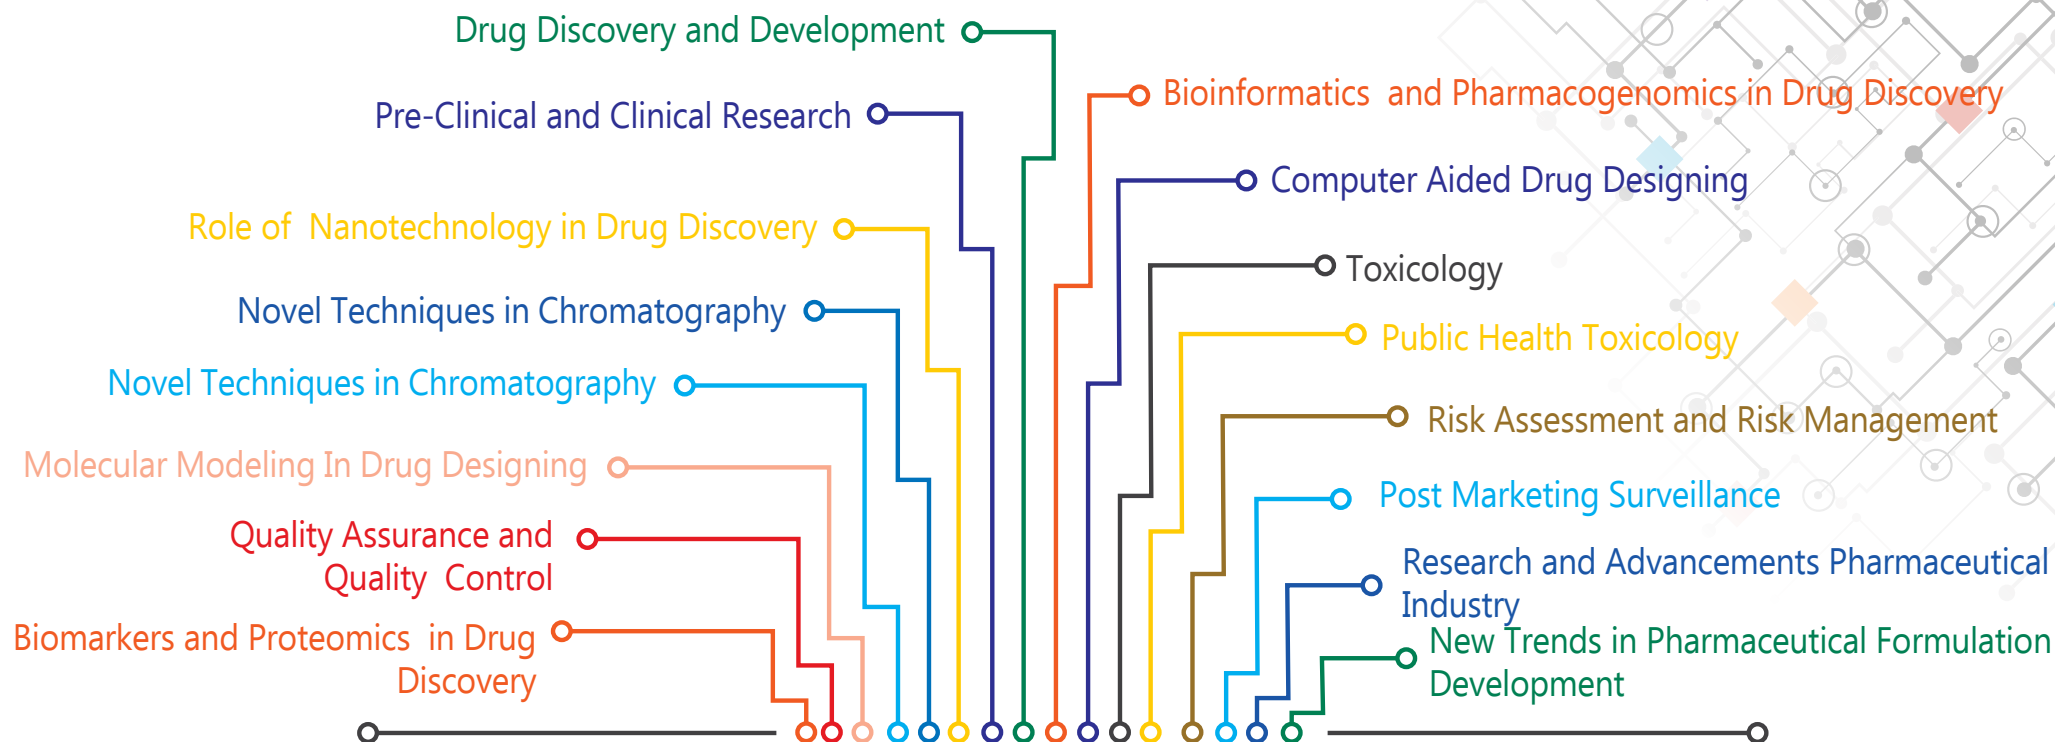

Workshops and  
Special Sessions

40+ Oral  
Presentations

25+ Poster  
Presentations

Young  
Researchers  
Forum

# Venue & Hospitality

Helsinki is located in the south of Finland, near to the coast of the Gulf of Finland. The city is present in the Uusimaa region, and we can see Tallinn city from the opposite side of the sea, Helsinki is poetically named as "the daughter of the Baltic Sea. Greater Helsinki is the metropolitan region consisting of two of Finland's biggest cities, Espoo towards the west of Helsinki, and Vantaa towards the north. Helsinki along with these two big cities and a small town of Kauniainen make up the Capital Region in Swedish. The Helsinki Airport is sited in Vantaa around 20 kilometers in the north of Helsinki city center. The airport deals together domestic flights inside Finland and international flights toward Europe, Asia, and North America. Helsinki makes available numerous boat facilities to Tallinn besides Stockholm daily, sideways with ferryboats to places plus the island of Suomenlinna. The finest way of travel to Finland's fascinating history is over a tour of its cities. One such city, Turku—at the Southwest coast—was once the capital city during Swedish rule that continued from the Middle Ages until 1809. Visitors can see this history for themselves in its big architecture and leftovers at Turku Castle and the Aboa Vetus Museum. Helsinki has become the capital city subsequently Russia gained control of the country, and relics as the capital till today. It also companies plentiful historical sites. Finland stays well-known for its numerous lakes, Tampere is the major city on the Finnish Lakeland. Finland is likewise recognized to have outstanding water quality, and green deep woods and forests about the sea, rivers, and the waterways.

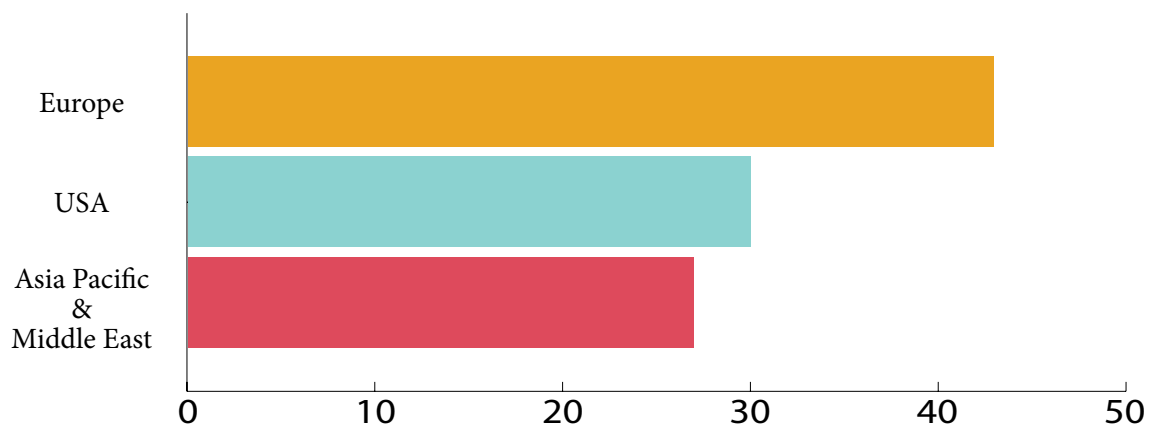

# our DELEGATE is your CLIENT

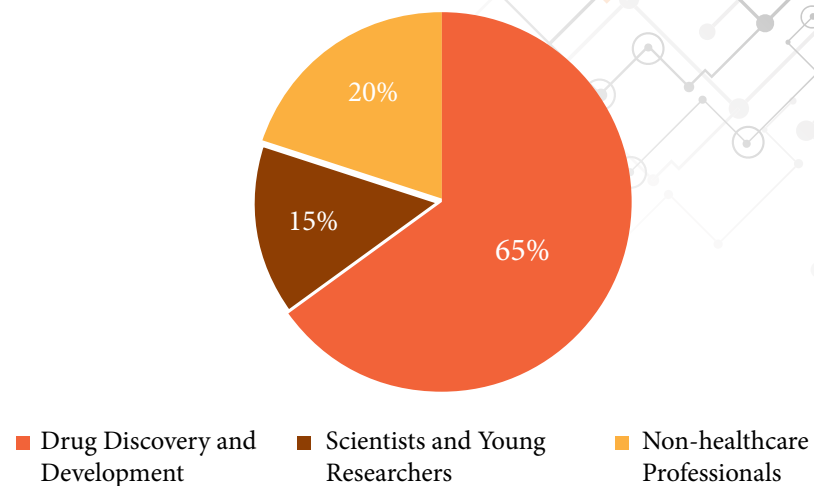

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2018-2019, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan, Spain and UAE
