B2B Meetings

Dear Colleagues,

Conference Series llc LTD., is delighted to welcome you to Singapore for the Prestigious 7th **World Congress on Earth and Environmental Science**. Earth science 2019 will focus on “**An Insight into the Recent Advancements in Earth and Environmental Science**”. We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Singapore.

With Regards,
Earth science 2019

Editorial Board Members of Supporting Journals:

David Chinarao,

Institute for Environment and Sustainability of San Jorge University, Spain.

Li Dan,

Chinese Academy of Sciences, China.

Gopal Shukla,

Department of Forestry Uttar Banga Krishi viswavidyalaya, India

Kofi Kwegyir Essel,

Food Research Institute, Accra, Ghana

Sharmmen Khan,

School of Marine Science and Technology Universty of Newcastle, United Kingdom.

Jianjun Huai,

Northwest A&F University, China.

Debabrata Ray,

Scientist Rubber Research Institute of India, India

Pan Lu,

Upper Great Plains Transportation Institute, U.S.A.

Jeffrey Sluka,

Massey University, New Zealand

Zhanjin Xue,

Shanxi University,China.

Brajesh Dubey,

University of Guelph, Canada

Chuixiang Yi,

City University of New York, USA

Jing Shen,

Columbia University, USA

Asli Aslan,

Georgia Southern University, USA

Venue

Singapore

Important Dates

Abstract submission opens: 15 October, 2018

Registration opens: 01 October 2018

Early bird Registration: 23 December, 2018

On spot registration: 21 August, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Earth science 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Earth& Environmental science.

About Singapore

Singapore known as the “lion city,” turns into a most loved goal, Singapore is a sovereign state situated in southeast Asia and it is a little – yet prosperous island country, both a city and a country. And is authoritatively known as the republic of Singapore. Singapore can be considered as the better medium for the migration of significant learning about the examination and novel notices worldwide. Singapore offers human progress and request in the most astounding degree. Singapore offers the lavish lodgings and delicious cuisine, great shopping. The island country of the Republic of Singapore lies on one degree north of the Equator in the Southern Asia. Singapore is considered as a critical place for advanced education, medicinal services, all around rumored and esteemed schools and colleges. Singapore gatherings in fact assume an imperative job in advancing logical data and thoughts everywhere throughout the world. Aside from this, Singapore has been put aside for parks and common stores. The system of common stores, parks, stop connectors, normal ways, tree-lined streets and other characteristic zones have upgraded the feeling of green space in the city which will keep you occupied for a considerable length of time. Sentosa, Singapore Flyer, Universal Studios Singapore, Night Safari Singapore, Singapore Botanic Gardens, Jurong Bird Park, Singapore Zoo, Sri Mariamman Temple, Pulau Hantu popular for its rich coral reefs and Peranakan Museum are a portion of the purposes of enthusiasm for Singapore.
