Tentative Program

2nd International Conference on

Ecology and Ecosystems

July 11-12, 2018 Toronto, Canada

Program at a Glance

Day 1				
Morning Sessions	Reception/Registration	08.00-09.00		
		Time	General Session	
		09.00-09.15	Inaugural Address	
	Keynote Session	09.15-09.45	Slot Available	
09.45-10.15		Slot Available		
10.15-10.45		Slot Available		
Evening Sessions	Panel Discussions/Group Photo			
	Coffee/Tea Break 10.45-11.00 (Networking)			
	11.00-12.40	5 Speakers (20 Mins Each)		
	Lunch Break 12.40-13.30			
	13.30-15.30	6 Speakers (20 Mins Each)		
	Coffee/Tea Break 15.30-15.45 (Networking)			
	15.45-17.25	5 Speakers (20 Mins Each)		
	19 Speakers for Day 1			
Day 2				
Morning Sessions		Time	Session 1	Session 2
	09.00-10.40		5 Speakers (20 Mins Each)	5 Speakers (20 Mins Each)
	Coffee/Tea Break 10.40-10.55 (Networking)			
	10.55-12.35		5 Speakers (20 Mins Each)	5 Speakers (20 Mins Each)
Evening Sessions	Lunch Break 12.35-13.25			
	13.25-15.05		5 Speakers (20 Mins Each)	5 Speakers (20 Mins Each)
	Poster Sessions			
	Coffee/Tea Break 15.05-15.20 (Networking)			
	15.20-17.00		5 Speakers (20 Mins Each)	5 Speakers (20 Mins Each)
	Closing Ceremony			
NOTE: Program Schedule is subject to change with final allotment of the speaker slots				
30 Speakers on Day 2				

Note: Workshops and Symposia slots are available. To book slot for Workshop and Symposium send us the proposal

Registration: <https://ecologyecosystems.conferenceseries.com/registration.php>

Abstract Submission: <https://ecologyecosystems.conferenceseries.com/abstract-submission.php>

e-Poster: <https://ecologyecosystems.conferenceseries.com/poster-presentation.php>

NOTE: Program Schedule is subject to change with final allotment of the speaker slots

Major Scientific Sessions

- Ecosystem Habitats
- Species Interaction
- Biosphere
- Dynamics of Land cover change
- Landscape Conversation and sustainability
- Disaster Management
- Environmental Genomics
- Spatial Ecology
- Ecology in Freshwater Management
- Ecological and Evolutionary Genomics
- Ecology and Natural Resource Management
- Sustainability, Ecosystems, and Environment
- Marine Ecosystems and Conservation
- Urban Ecology
- Restoration Ecology
- Climate Change
- Freshwater Algae

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Toronto

Toronto is the capital of the Canadian area of Ontario. It is situated inside the Golden Horseshoe in Southern Ontario on the northern shore of Lake Ontario. With 2,731,571 inhabitants in 2016, it is the biggest city in Canada and fourth-biggest city in North America by populace. Likewise in 2016, the Toronto evaluation metropolitan territory (CMA), the lion's share of which is inside the Greater Toronto Area (GTA), had a populace of 5,928,040, making it Canada's most crowded CMA. A worldwide city, Toronto is a focal point of business, fund, expressions, and culture, and is perceived as a standout amongst the most multicultural and cosmopolitan urban areas on the planet.

Indigenous people groups have gone through and possessed the Toronto zone, arranged on an expansive inclining level blended with streams, profound gorges, and urban woodland, for over 10,000 years. After the comprehensively questioned Toronto Purchase, when the Mississaugas surrendered the region to the British Crown, the British built up the town of York in 1793, and later assigned it as the capital of Upper Canada. Amid the War of 1812, the town was the site of the Battle of York and endured overwhelming harm by U.S. troops. York was renamed and fused as the city of Toronto in 1834, and turned into the capital of the territory of Ontario amid Canadian Confederation in 1867. The city legitimate has since extended past its unique outskirts through both extension and amalgamation to its present zone of 630.2 km².

The various populace of Toronto mirrors its present and authentic part as an essential goal for settlers to Canada, with more than half of occupants having a place with a noticeable minority populace group, and more than 200 particular ethnic roots spoke to among its inhabitants. While the larger part of Torontonians communicate in English as their essential dialect, there are more than 160 distinct dialects talked in the city.
