Important Dates

Abstract submission opens: April 01, 2019

Registration opens: April 01, 2019

On spot registration: December 10, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Endocrinology Congress 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Bangkok

Bangkok, Thailand's capital is a large city known for ornate shrines and vibrant street life. The boat-filled Chao Phraya River feeds its network of canals, flowing past the Rattanakosin royal district, home to opulent Grand Palace and its sacred Wat Phra Kaew Temple. Nearby is Wat Pho Temple with an enormous reclining Buddha and, on the opposite shore, Wat Arun Temple with its steep steps and Khmer-style spire.

Traditional teak buildings like the grand Vimanmek Palace. The city's renowned food scene spans traditional street-cart snacks – spicy, sour, sweet and salty – to upscale international restaurants. Bangkok is also known for its exuberant nightlife, with venues ranging from swanky rooftop lounges to basic backpacker bars and nightclubs of the notorious Patpong district.

Bangkok is one of the world's top tourist destination cities. MasterCard ranked Bangkok as the top destination city by international visitor arrivals in its Global Destination Cities Index 2016, ahead of London with more than 21 million overnight visitors.
