12th World Congress on
ENDOCRINOLOGY AND METABOLIC DISORDERS
December 9-10, 2019 | Bangkok, Thailand

Theme:
Collaborative Strategies and Innovative Approaches to fight Endocrinology and Metabolic Disorders

http://endocrinodisorders.diabetesexpo.com/
Dear Attendees,

We are glad to announce the 12th World Congress on Endocrinology and Metabolic Disorders to be held in Bangkok, Thailand on December 9-10, 2019 organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Endocrinology Congress 2019 aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of 12th World Congress on Endocrinology and Metabolic Disorders. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. 12th World Congress on Endocrinology and Metabolic Disorders amid December 9-10, 2019 at Bangkok, Thailand. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Endocrinology Congress 2019
Organizing Committee

Our International Open Access Journals
- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features
- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences
- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features
- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues: All accepted abstracts will be published in respective Conference Series llc LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref
Endocrinology Congress 2019 Conference website is attracting 25000+ Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Optics, laser and Laser, Physicists, Optics Professionals, Laser Professionals, Photonics Professionals, Optics and Laser companies, Optics Laboratories and Technicians, Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Endocrinology Congress 2019 salient features
- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?
- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals
- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world’s scientific experts to catalyze and advance scientific knowledge about 12th World Congress on Endocrinology and Metabolic Disorders, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.
**Objectives**
After participating in this meeting, attendees should be able to
- Discuss emerging issues in Endocrinology and Metabolic Disorders
- Discuss and apply recent research findings related to Endocrinology and Metabolic Disorders
- Reflect on the place of critical distance in Endocrinology and Metabolic Disorders

**Who should attend?**
Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Optics, laser and Laser, Physicists, Optics Professionals, Laser Professionals, Photonics Professionals, Optics and Laser companies, Optics Laboratories and Technicians, Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs.

**About hosting organization**
Conference Series is the world’s leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

**Conference Sessions**
- Endocrinology and Metabolism
- Metabolic syndrome
- Endocrinology and Diabetes
- Adrenal and Thyroid Disorders
- Neuroendocrinology and Pituitary Disorders
- Reproductive Endocrinology and Infertility
- Endocrine Disorders
- Advancements in Treatment and Prevention
- Types of metabolic disorders:
- Clinical Research and Case Study
- Obesity And Metabolism
- Metabolic Responses and Nutrition
- Endocrine Prevention
- Pathophysiology: Endocrinology, Diabetes and Metabolism
- Surgery and Care
- Diabetic & Endocrine Diagnostic Tools and Tests

Bangkok, Thailand’s capital is a large city known for ornate shrines and vibrant street life. The boat-filled Chao Phraya River feeds its network of canals, flowing past the Rattanakosin royal district, home to opulent Grand Palace and its sacred Wat Phra Kaew Temple. Nearby is Wat Pho Temple with an enormous reclining Buddha and, on the opposite shore, Wat Arun Temple with its steep steps and Khmer-style spire.

Traditional teak buildings like the grand Vimanmek Palace. The city’s renowned food scene spans traditional street-cart snacks – spicy, sour, sweet and salty – to upscale international restaurants. Bangkok is also known for its exuberant nightlife, with venues ranging from swanky rooftop lounges to basic backpacker bars and nightclubs of the notorious Patpong district. Bangkok is one of the world’s top tourist destination cities. MasterCard ranked Bangkok as the top destination city by international visitor arrivals in its Global Destination Cities Index 2016, ahead of London with more than 21 million overnight visitors.
