Important Dates

Abstract submission opens: 01 June 2019

Registration opens: 05 June 2019

Early bird registration: 31 July 2019

On spot registration: 03 December 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Environmental Congress 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Environmental Toxicology.

About London

London is the city capital of the United Kingdom. It is among the oldest of the world's great cities. London is a leading global city. It is the world's largest financial center alongside New York and is home to the headquarters of more than 100 of Europe's 500 largest companies. It has the most international visitors of any city in the world.

London is truly one of the most beautiful destinations to visit in the United Kingdom. It's a city with rich and unique history and amazing preserved British culture. And with several historical landmarks and many great London tourist attractions to keep you busy, you will never run out of amazing things to do.
