

# Epigenetics Congress 2019

November 11-12, 2019

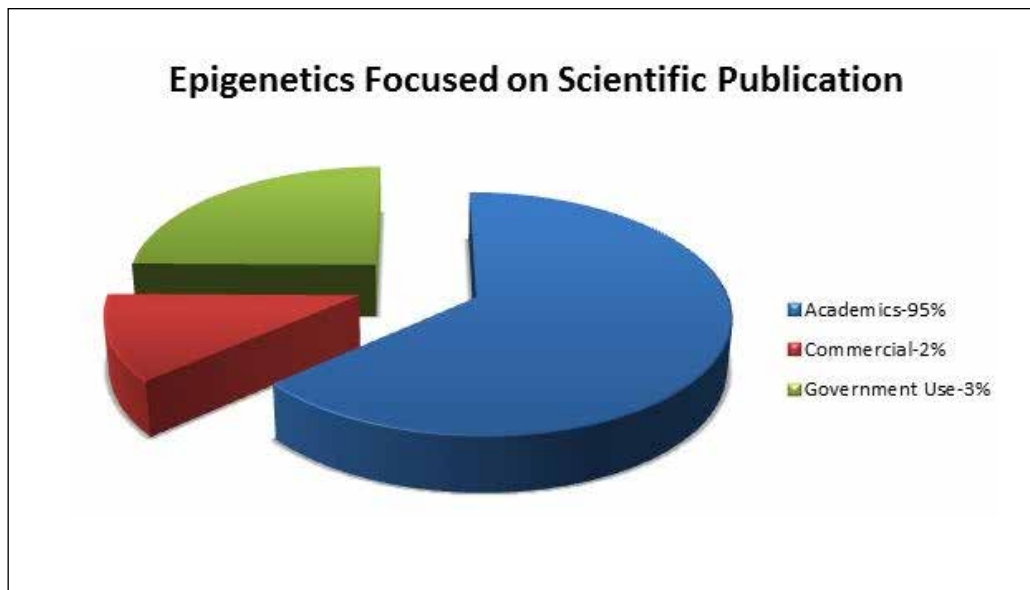

Amsterdam, Netherlands

## 6<sup>th</sup> World Congress on **Epigenetics and Chromosome**

Theme: "Exceeding the Vision in the Field of Epigenetics and Molecular Biology".

# Who attends?

- Professors, Deans & Directors of Biology Universities and Institutes
- Scientists
- Biomedical companies
- Pharmaceutical companies
- Business Entrepreneurs
- Public wellbeing experts
- Organization working in Genetics
- Genomics and Proteomics
- Bioinformatics
- Molecular Biology
- Medicine
- Organic Chemistry
- Natural Science field
- Stem cell biology
- Cancer
- Oncology

# *Glimpses of Epigenetics Congress 2018*

**Lucy Watson**
