Dear Colleagues,

Conference Series llc LTD. is delighted to welcome you to Rome, Italy for the prestigious 6th International Conference on Atomic Physics and Nuclear Physics. Euro Atomic Physics 2019 will focus on the theme “Moving to Master Physics at Atomic Level”. We are confident that you will enjoy the Scientific Program of this upcoming Conference. We look forward to see you at Rome, Italy.

With Regards,

Euro Atomic Physics 2019 Operating Committee
Conference Series Conferences

Editorial Board Members of Supporting Journals:

Branislav Vlahovic  
NSF Center of Research Excellence in Science and Technology, USA

Manijeh Razeghi  
Northwestern University, USA

Falk Lederer  
Universitaet Jena, Germany

Alkim Akyurtlu  
University of Massachusetts, USA

Dr. Alex Granik  
University of the Pacific, California, USA

Robert Bingham  
University of Strathclyde, United Kingdom

Mahi R. Singh  
University of Western Ontario, London, Canada

Prof. Dr. Keli (Ke-Li) Han  
Dalian University, China

Peng-Sheng Wei  
National Sun Yat-Sen University, Taiwan

Gagik G. Gurzadyan  
Nanyang Technological University, Singapore
Accommodation

A large number of rooms have been reserved. Discounted room rates for Euro Atomic Physics 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Atomic Physics and Nuclear Physics.

About Rome

Rome, Italy’s capital is a sprawling, cosmopolitan city with nearly 3,000 years of globally influential art, architecture and culture on display. Ancient ruins such as the Forum and the Colosseum evoke the power of the former Roman Empire. Vatican City, headquarters of the Roman Catholic Church, has St. Peter’s Basilica and the Vatican Museums, which house masterpieces such as Michelangelo’s Sistine Chapel frescoes. Rome was called the “Eternal City” by the ancient Romans because they believed that no matter what happened in the rest of the world, the city of Rome would always remain standing. Exploring the city centre by foot surrounded by glorious monuments and colossal remains takes you back in time to the “glory that was Rome”.

Abstract Submission
https://atomicphysics.insightconferences.com/abstract-submission.php

Note: All the relevant abstracts will be accepted and published in respective conference proceedings.

Registration
https://atomicphysics.insightconferences.com/registration.php

Important Dates
Abstract submission opens: May 27, 2019
Registration opens: May 27, 2019
Early bird registration: June 17, 2019

Venue
Rome, Italy
