

EURO BIOPHARMACEUTICS 2018

6th European Biopharma Congress

September 18-19, 2018 Amsterdam, Netherlands

Theme: Novel Strategies and Advancements in Biopharmaceutics

Dear Colleagues,

We are glad to announce the **6th European Biopharma Congress** to be held in **Amsterdam, Netherlands** from **September 18-19, 2018** organized by Conference Series LLC, USA in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

We cordially invite all the participants from all over the world who are interested in sharing their knowledge and research in the arena of Biopharmaceutics & Drug Delivery System and Related fields. Euro Biopharmaceutics 2018 anticipate more than 500 participants around the globe with thought provoking Keynote lectures, Oral and Poster Presentations. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. The main theme of the conference is “Novel Strategies and Advancements in Biopharmaceutics”.

We look forward to personally welcoming you to Amsterdam this september.

Sincerely,

Euro Biopharmaceutics 2018

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+  Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be

Published in Respective Supported Journals

Each Accepted abstracts will be provided with

A digital Object Identifier by 

About Conference

The fundamental subject of 6th European Biopharma Congress is “*Novel Strategies and Advancements in Biopharmaceutics*”. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Euro Biopharmaceutics 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world’s scientific experts to catalyze and advance scientific knowledge about 6th European Biopharma Congress present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to discuss emerging issues in Biopharmaceutics and Biological Products.

Discuss and apply recent research findings related to Biopharmaceutics and Biological Products.

Reflect on the place of critical distance in Biopharmaceutics and Biological Products.

Who should attend

Directors, Group Leaders, Professors, Associate Professors, professors Lecturers, Research Associates, Scientists, Investigators, business delegates from Leading Universities, Pharmaceutical companies, Formulation Scientists, Medical Devices, Researchers, Health care professionals, across the globe providing a better podium, interconnecting the latest research, technological developments in the arena as well as therapeutic aspects.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by 

Major Sessions

- Biopharmaceutics
- Therapeutic Biological Products
- Bioavailability/Bioequivalence on Biopharmaceutical Products
- Drug Disposition & Pharmacokinetics
- Entrepreneurs Investment Meet
- Biopharmaceutics: Drug Discovery and Development
- Cellular and Gene Therapy
- Biologics and Biosimilars
- clinical Trials on Biopharmaceutical Products
- Pharmacovigilance
- Drug Delivery System of Biopharmaceutical Products
- Drug Dissolution of Biopharmaceutical Products
- Biopharmaceutical Companies & Market Analysis
- Pharmaceutical Regulatory Affairs And IPR
- Biopharmaceutical Pharmacovigilance
- Biotechnological Products

About Amsterdam

Amsterdam city is located in province of North Holland in west of the country. The metropolitan area comprises much of the northern part of the Ramstad, one of the larger conurbations in Europe. The river Amstel ends in the city center and connects to a large number of canals that eventually terminate in the IJ. Amsterdam is about 2 meters (6.6 feet) below sea level the surrounding land is flat as it is formed of large polders.

Amsterdam is intensely urbanized, as the Amsterdam Metropolitan Area was surrounding a city. Tourist attractions of Amsterdam are The Rijksmuseum, The Anne Frank Museum, The Van Gogh Museum, The West Church, Rembrandt House Museum, The Royal Palace, The Jewish Historical Museum, The Begijnhof, The Old Church, port of Amsterdam. Parks and nature reserves make up to 12% of Amsterdam's land area.

Amsterdam is financial and business capital of the Netherlands.

Amsterdam is presently one of the best European cities which to locate an international business. It is ranked fifth in this category and is only surpassed by London, Paris, Frankfurt and Barcelona the Port of Amsterdam is the fourth largest port in Europe, the 38th largest port in the world and the second largest port in the Netherlands by metric tons of cargo. Amsterdam has the biggest cruise port in the Netherlands with more than 150 cruise ships every year.
