

25th European

Biotechnology Congress

September 27, 2021 | Webinar

Scientific Program

Sessions will be hosted in GMT+1 (UK Timings)

Opening Ceremony

09:00-09:30 Introduction

Sessions: [Biotechnology](#) | [Microbial Biotechnology](#) | [Molecular Biotechnology](#) | [Agriculture Biotechnology](#) | [Biopharmaceutical](#) | [Marine Biotechnology](#) | [Stem Cell Biotechnology](#) | [Nano biotechnology](#) | [Pharmaceutical Biotechnology](#) | [Medical Biotechnology](#)

09:30-10:00 **Title:** [A current perspective on the impact of cold plasma treatment on the main nutritional parameters of different vegetal matrices](#)

Tulcan Camelia, Banat's University of Agricultural Sciences and Veterinary Medicine, Romania

10:00-10:30 **Title:** [Potential of the cooperation in Marine Biotechnology for the Blue Growth Strategy](#)

Tania Tato, University of Vigo, Spain

10:30-11:00 **Title:** [Modern Food Biotechnology from Islamic Law Perspective](#)

Ayten Erol, Kirikkale University, Turkey

Coffee Break : 11:00-11:20

11:20-11:50 **Title:** [Overcoming the heuristic nature of K-means clustering: Identification and characterization of binding modes from simulations of molecular recognition complexes](#)

Eric Sorin, California State University, USA

11:50-12:20 **Title:** [Metagenomics: Transforming the landscape of bioeconomy](#)

Barkha Singhal, Gautam Buddha university, India

12:20-12:50 **Title:** [Effects of N-Acyl Homoserine Lactones in Real Life](#)

Ömür Acet, Tarsus University, Turkey

12:50-13:20 **Title:** [Biotechnology applications in combating hospital acquired infections \(HAIS\) through utilization of autonomous 5g internet of things \(IoT\) ultra violet \(UV\) light device](#)

Ugochukwu O Matthew, Hussaini Adamu Federal Polytechnic, Nigeria

Awards & Closing Ceremony
