Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Best Tourist Destinations in Istanbul, Turkey

About Istanbul, Turkey

Istanbul officially known as Byzantium and Constantinople is the most populous city in Turkey and the country's economic, cultural and historic center. Istanbul is a transcontinental city in Eurasia, bestride the Bosphorus strait between the Sea of Marmara and the Black Sea. It's an Exchange and historical center lies on the European side and about a third of its population lives in suburbs on the Asian side of the Bosphorus. With a absolute population of around 15 million residents in its metropolitan area, Istanbul is one of the world's most populous cities, ranking as the world's fourth-largest city proper and the largest European city. The city is the administrative center of the Istanbul Metropolitan Municipality. At an end 12 million foreign visitors came to Istanbul in 2015, five years after it was named a European Capital of Culture, making the city the world's fifth most popular tourist destination. The city's biggest appeal is its historic center, partially listed as a UNESCO World Heritage Site, and its cultural and entertainment hub is across the city's natural harbor, the Golden Horn, in the Beyoglu district. Examined a global city, Istanbul has one of the fastest-growing metropolitan economies in the world.
