# 3<sup>RD</sup> WORLD HEART CONGRESS

April 19-20, 2018 Amsterdam, Netherlands

**Conference Series Ilc LTD**

47 Churchfield Road, London, W36AY, UK, Toll Free: +1-800-014-8923

Day 1 April 19, 2018

08:30-09:30 Registrations

Room: Meeting Place 4+5

conferenceseries.com 09:30-10:00

## Opening Ceremony

### Keynote Forum

10:00-10:45 **Title: Why maze procedure should be performed during cardiac surgery!**  
Ovidio Alberto Garcia Villarreal, Hospital Zambrano-Hellion, Mexico

Networking & Refreshments @ Pre-Function Area 10:45-11:05

11:05-11:50 **Title: The impact of anxiety and depression on PCI patients and the effectiveness of mindfulness-based intervention**  
Xiao Hua Wang, Soochow University, China

11:50-12:35 **Title: Cardiac involvement in patients with rheumatoid arthritis**  
Liutsiia Feiskhanova, Kazan State Medical University, Russia

Sessions: Cardiovascular Disease | Heart Disease & Failure | Angiography & Interventional Cardiology | Cardiac Nursing | Heart Diagnosis | Cardiac Surgery | Cardiovascular Disease | Cardio-Oncology

Session Chair: Ovidio A Garcia-Villarreal, Hospital Zambrano-Hellion, Mexico

Session Co-Chair: Xiao Hua Wang, Soochow University, China

Session Introduction

12:35-13:05 **Title: Surgical isolation of the pulmonary veins for atrial fibrillation: The reality**  
Ovidio A Garcia-Villarreal, Hospital Zambrano-Hellion, Mexico

Group Photo

Lunch @ The Gallery 13:05-14:05

14:05-14:35 **Title: The involvement of Rho-associated kinase inhibitors in regulating cardiac differentiation of embryonic stem cells**  
Jun-Yang Liou, National Health Research Institutes, Taiwan

14:35-15:05 **Title: P wave duration index is associated with silent atrial fibrillation in patients with cardiac resynchronization therapy**  
Onur Kaypakli, Mustafa Kemal University, Turkey

15:05-15:35 **Title: Pathogenic gene expression of epicardial adipose tissue in CAD patients**  
Anagha Sahasrabudhe, NKP Salve Institute of Medical Sciences, India

15:35-16:05 **Title: Depression and anxiety as predictors of major adverse cardiovascular events in Chinese patients 12 months after percutaneous coronary intervention**  
Xiao Hua Wang, Soochow University, China

Networking & Refreshments @ Pre-Function Area 16:05-16:25

16:25-16:55 **Title: Diastolic dysfunction as cardiac feature of rheumatoid arthritis**  
Liutsiia Feiskhanova, Kazan State Medical University, Russia

16:55-17:25 **Title: Endovascular treatment for symptomatic extracranial vertebral artery stenosis**  
Vijaya Pamidimukkala, Lalitha Super Specialities Hospital Pvt Ltd, India

17:25-17:55 **Title: MicroRNA let-7c regulates heart regeneration after cryoinjury in adult zebrafish**  
Suneeta Narumanchi, Minerva Institute for Medical Research, Finland

Panel Discussion

EuroHeart Congress 2018

**Day 2 April 20, 2018**

**Meeting Place 4+5**

**Keynote Forum**

**10:00-10:45** **Title: Multi-disciplinary approach to post-infarct ventricular septal defect**  
**Marius Berman**, Royal Papworth Hospital, United Kingdom

**Networking & Refreshments @ Pre-Function Area 10:45-11:05**

**11:05-11:50** **Title: Risk stratification for AICD implantation for Hypertrophic Cardiomyopathy in the young**  
**Charles H Gaymes**, University of Mississippi Medical Centre, USA

**Sessions: Hypertension | Cardiac Pharmacology | Heart Devices | Cardiology - Future Medicine | Heart Regeneration | Cardiologists | Nuclear Cardiology**

**Session Chair: Marius Berman**, Papworth Hospital, United Kingdom

**Session Co-Chair: Charles H Gaymes**, University of Mississippi Medical Center, USA

**Session Introduction**

**11:50-12:20** **Title: Catheter ablation of arrhythmia in Ebstein anomaly (EA)**  
**Charles H Gaymes**, University of Mississippi Medical Centre, USA

**12:20-12:50** **Title: Anticoagulation treatment and related factors in patients with nonvalvular atrial fibrillation**  
**Li Dong**, Soochow University, China

**Lunch @ The Gallery 12:50-13:50**

**13:50-14:20** **Title: Quality of life in patients with different clinical features of atrial fibrillation**  
**Yuan Xue**, Soochow University, China

**14:20-14:50** **Title: Evaluation of the efficacy of Ischemia Reversal Program in Indian patients with ischemic heart disease with the aid of stress thallium test**  
**Rahul Mandole**, Madhavbaug Cardiac Care Clinics and Hospitals, India

**14:50-15:20** **Title: SIRT1 and resistin as a therapeutic targets of resveratrol in aortic stenosis**  
**Maedeh Arabian**, Iran University of Medical Sciences, Iran

**Poster Presentations @ Pre-function Area 15:20 - 16:20**

**Poster Judge: Marius Berman**, Royal Papworth Hospital, United Kingdom

**WHCP\_1** **Title: Features of myocardial deformation and arterial stiffness in hypertensive men with low testosterone**  
**Olesia Nasonenko**, Zaporizhzhia State Medical University, Ukraine

**WHCP\_2** **Title: Effect of PARP-1 inhibition on the mitochondrial fragmentation in an *in vivo* SHR model**  
**Laszlo Deres**, University of Pecs, Hungary

**WHCP\_3** **Title: Combination of Ivabradine and beta-blockers: Results of an observational study in daily practice in Morocco**  
**Anass Assaidi**, Mohamed VI University of Health Science, Morocco

**WHCP\_4** **Title: Ethanol fixation method for ex-vivo heart and lungs imaging in micro-CT**  
**Jana Mrzilková**, Charles University, Czech Republic

**WHCP\_5** **Evaluation of changes in myocardial mechanics in children during treatment of malignant hypertension**  
**Sahar Alborikan**, King Fahad Specialist Hospital, Saudi Arabia

**Networking & Refreshments @ Pre-Function Area 16:05-16:25**

**Panel Discussion**

**Award & Closing Ceremony**
