

Annual Congress on Nutrition & Healthcare

October 18-20, 2018 Paris, France

Hall - Carnot

conferenceseries.com 09:30-09:55 Opening Ceremony

Title: The supply of the disabled becoming elderly by the capability approach by Amartya Sen Bernhard Mann, University of Koblence-Landau, Germany Title: Double burden of mainutrition in Cuba Manuel Hernandez Triana, International Institute for Healthcare Professionals, USA Group Photo & Networking & Refreshments Break 11:05-11:20 @ Bar Le Diplomate Title: Barriers to neonatal hearing screening in Pakistan 11:20-11:55 Nazia Mumtaz, Isra University, Pakistan Title: Microbiota mitochondrial metabolism 11:55-12:30 Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Introduction Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced 15:10-15:50 metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemio		Keynote Forum
10:30-11:05 Bernhard Mann, University of Koblence-Londau, Germany Title: Double burden of malnutrition in Cuba Manuel Hernandez Triana, International Institute for Healthcare Professionals, USA Group Photo & Networking & Refreshments Break 11:05-11:20 @ Bar Le Diplomate Title: Barriers to neonatal hearing screening in Pakistan Nazia Mumtaz, Isra University, Pakistan Title: Microbiota mitochondrial metabolism 11:55-12:30 Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Introduction Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Session Co-chairs Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chairs Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to half leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere,		•
Manuel Hernandez Triana, International Institute for Healthcare Professionals, USA Group Photo & Networking & Refreshments Break 11:05-11:20 @ Bar Le Diplomate Title: Barriers to neonatal hearing screening in Pakistan 11:20-11:55 Title: Microbiota mitochondrial metabolism 11:55-12:30 Richard Haddad, Hospital Saint Louis Lariboisiere, France Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Co-chairs Nazio Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Food and Nutrition Clinical Nutrition Clinical Nutrition Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France	09:55-10:30	
Group Photo & Networking & Refreshments Break 11:05-11:20 @ Bar Le Diplomate Title: Barriers to neonatal hearing screening in Pakistan Nazia Mumtaz, Isra University, Pakistan Title: Microbiota mitochondrial metabolism 11:55-12:30 Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Introduction Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Naternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced 15:10-15:50 metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant and Child Health Chronic Diseases and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France	10:30-11:05	Title: Double burden of malnutrition in Cuba
Title: Barriers to neonatal hearing screening in Pakistan 11:20-11:55 Nazia Mumtaz, Isra University, Pakistan Title: Microbiota mitochondrial metabolism 11:55-12:30 Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Introduction Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant and Child Health Chronic Disease and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France		Manuel Hernandez Triana, International Institute for Healthcare Professionals, USA
11:20-11:55 Nazia Mumtaz, Isra University, Pakistan Title: Microbiota mitochondrial metabolism 11:55-12:30 Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Introduction Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant and Child Health Chronic Disease and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France		Group Photo & Networking & Refreshments Break 11:05-11:20 @ Bar Le Diplomate
Title: Microbiota mitochondrial metabolism 11:55-12:30 Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Introduction Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced 15:10-15:50 metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant and Child Health Chronic Disease and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboistere, France		
Session Introduction Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan 12:30-12:55 Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant and Child Health Chronic Disease and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France		
Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Heddadd, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazillian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Disease and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France		
Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced 15:10-15:50 metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant and Child Health Chronic Disease and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France	11:55-12:30	
Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant, and Child Health Chronic Disease and Health Promotion Public Health Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France Session Co-chair: Nazia Mumtaz, Isra University, Pakistan Title: To determine the association of four upper air indicators and seven air pollutants with Attention Deficit Hyperactivity Disorder (ADHD) in elementary school children in Pennsylvania over a three-years period Rami Saadeh, Jordan University of Science and Technology, Jordan Title: A new strategy to halt leprosy transmission: A Brazilian experience Mauricio Lisboa Nobre, Federal University of Rio Grande do Norte, Brazil Lunch Break 13:20-14:10 @ The George Workshop 14:10-15:10 Title: Yoga and mindful eating: Balancing nutritional needs intuitively Bronwen de Klerk, Bronwen de Klerk, UK Special Session Title: The "form" makes the difference: Unrevealing the differential susceptibility to sugar-induced metabolic derangements evoked by liquid and solid fructose formulations Massimo Collino, University of Turin, Italy Major Sessions: Nutrition & Health Food and Nutrition Clinical Nutrition Malnutrition or Nutritional Deficiency Nutrition and Food Safety Nutrition in Cancer Treatment Epidemiology & Diseases Control Healthcare Management Dental & Oral Health Maternal, Infant and Child Health Chronic Disease and Health Promotion Session Chair: Richard Haddad, Hospital Saint Louis Lariboisiere, France	Maior Coosions

15:50-16:15 assessment of pediatric inpatients	15:50-16:15	assessment of pediatric inpatients

Juliana Paludo Vallandro, Federal University of Rio Grande do Sul, Brazil

	Networking & Refreshments Break Invid-Invito (II) Bar Le Diblomate I	
	Networking & Refreshments Break 16:15-16:30 @ Bar Le Diplomate Title: Antioxidants prevent keratinocyte death by dietary advanced glycation end products	
16:30-16:55	Vanesa Cepas, Universidad de Oviedo, Spain	
16:55-17:20	Title: Effects of physical activity on premenstrual syndrome in university students	
	Soyoka Yoshimi, Kyoto University, Japan	
	Title: Implementing antimicrobial consumption surveillance across 14 states in Nigeria	
17:20-17:45	Helen Adamu, Center for Clinical Care and Research, Nigeria	
	Panel Discussion	
	Tunor Discossion	
	October 19, 2018 Day 2	
Workshop		
	Title: Biomarkers in nutrition and health	
10.00.10.00	Massimo Collino, University of Turin, Italy	
10:00-13:00	Andrea Mancini, Edmund Mach Foundation - Agricultural Institute San Michele All'Adige, Italy	
	Martine Morzel, Centre des Sciences du Gout et de l'Alimentation, France Cecile Gladine, French National Institute of Agriculture, France	
	Networking & Refreshments Break 11:05-11:20 @ Bar Le Diplomate	
	Workshop will be continued till 13:00 PM	
	Lunch Break 13:00-13:50 @ The George
