A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they’re not in the same place as the meeting host or in the same room where the event or presentation is taking place.

**DAY 2 SESSIONS**

10:00 AM TO 16:00 PM

Day 2 Session

10:00 AM TO 13:00 PM
