

Scientific Program

4th Pharmaceutical Chemistry Conference

June 27-28, 2019 | Amsterdam, Netherlands

Day 1 June 27, 2019

09:00-09:45 Registrations

Meeting Hall @ Rembrandt 3

09:45-09:55 Opening Ceremony

09:55-10:00

Introduction

Keynote Forum

10:00-10:45

Title: Increasing performance and throughput of ELISA procedures through implementation of ready-to-use plates and optimisation of the binding kinetics of the capture and detection antibodies

Vladimir Gurevich, CSL Behring, Australia

Group Photo

Networking & Refreshment 10:45-11:05 @ Foyer

11:05-11:50

Title: Herbal drugs: Past, present and future scenario in India

Anil kumar, King George's Medical University, India

Sessions: Drug Discovery and Therapy | Modern Analytical Techniques | Pharmacology & Toxicology

Session Chair: **Vladimir Gurevich**, CSL Behring, Australia

Session Introduction

11:50-12:20

Title: The Pt(II)-based Lx[®] linker technology for development and production of antibody-drug conjugates (ADCs) with distinguished features

Eugen Merkul, LinXis Pharmaceuticals, Netherlands

12:20-12:50

Title: Synthesis, structural characterization and docking studies of sulfamoyl-phenyl acid esters as dipeptidyl peptidase-IV inhibitors

Reema Abu Khalaf, Al-Zaytoonah University of Jordan, Jordan

Lunch 12:50-14:00 @ Restaurant

14:00-14:30

Title: Novel stability indicating LC methods for determination of tasimelteon

Serkan Levent, Anadolu University, Turkey

Poster Presentation 14:30- 14:50 @ Foyer

- EPC01** **Title: Pharmacotherapy of migraine prophylaxis: Effectiveness in reducing attack frequency**
Rahul Kumar, King George's Medical University, India
- EPC02** **Title: Pure bio-active compounds from the Egyptian fungus *Aspergillus* ASAI**
Mostafa Alasmaey, National and Kapodistrian University of Athens, Greece
- EPC03** **Title: Association of *NAT2* gene polymorphism with anti-tubercular drug induced hepatotoxicity in North Indian population**
Sarvesh Singh, King George's Medical University, India

Panel Discussion

Day 2 June 28, 2019

Networking & Lunch 12:30-13:30 @ Restaurant

BOOKMARK YOUR DATES

5th Pharmaceutical Chemistry Conference
April 27-28, 2020 | Prague, Czech Republic
