European Conference on

Epidemiology & Public Health

Dec 03-04, 2018 | Lisbon, Portugal

Theme: Exploring the emerging transitions in Epidemiology and Public Health

https://epidemiology-publichealth.healthconferences.org/
Dear Colleagues,

Conference Series llc LTD is delighted to welcome you to Lisbon, Portugal for the Prestigious European Conference on Epidemiology & Public Health.

The conference will focus on “Exploring the emerging transitions in Epidemiology and Public Health”. We are confident that you will enjoy the scientific program of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the European Conference on Epidemiology & Public Health to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcome you to Lisbon this December.

Sincerely,

Euro Public Health 2018
Organizing Committee
