16th European Biosimilars Congress

APRIL 03-04

2023

BARCELONA, SPAIN

DAY-1

April 03, 2023

08:30-09:00 Registrations

Opening Ceremony

09:00-09:10

Keynote Forum

Introduction

09:10-09:40

Title: From development to commercial phase: A case study on Ranibizumab biosimilar
Adriana Kiedzierska-Mencfeld, Polpharma Biologics S.A., Poland

Sessions: Formulation Strategies for Follow-on Biologics | Intellectual Property Rights| Biological Medicine| Biopharmaceutical Informatics| Biosimilars Research Pipeline | Pharmaceutical Analysis| Water Chemistry |Oil and Petroleum Chemistry | Nanoscience & Material Chemistry | Analytical and Bio analytical Chemistry | Biochemistry & Chemical Biology | Medicinal Chemistry | Drug Discovery, Drug Design & Drug Development | Biofuels & Bioenergy | Renewable

Session Introduction

09:40-10:00

Title: A new generation of technology platform for biosimilars production: Available, affordable, sustainable
Bertrand Merot, Bio-Sourcing, Belgium

10:00-10:20

Title: Diesel fuels from thermal gasification of agricultural waste
Paulo Brito, VALORIZA, Portugal

10:20-10:40

Title: The end of phase 3 systematic confirmatory clinical trials in biosimilars development, are all stakeholders aligned?
Francois Xavier Frapaise, F.-X. Frapaise Pharma Consulting, France

Networking & Refreshments Break: 10:40-11:00 @ Foyer

11:00-11:20

Title: Production of hydrogen by biomethane microwave plasmalysis: A CO₂ negative process with impact on the energy transition
Damien Dussol, Sakowin, France

11:20-11:40

Title: Potential of "Montado" wastes as feedstock for thermal gasification
Catarina Nobre, VALORIZA, Portugal

11:40-12:00

Title: Synthesis and biological evaluation of novel Apcin analogues as potential CDC20 inhibitors
Gabriele Micheletti, University of Bologna, Italy

12:00-12:20

Title: Electrocatalyst for water oxidation: Iron/Nickel/Zinc mixed oxide

Sepideh Madadkhani, Institute for Advanced Studies in Basic Sciences, Iran

12:20-12:40

Title: Regulatory updates on biosimilars: A review of the current global situation

Luis Gerardo Alcalá, National Autonomous University of Mexico, Mexico

Sessions: Abortion and Complications | Assisted Reproductive Technology | Cosmetic & Reconstructive | Gynecology | Endometriosis | Ethical, Legal and Social Issues | Female Genital Schistosomiasis | Gynecologic Surgeries | Gynecological Endocrinology | Gynecological Oncology | Gynecology and Obstetrics | Gynography
