Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Euro Cardiology 2020 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of cardiology.

About Rome

Rome is the capital city of Italy. Rome also serves as the capital of the Lazio region. Caput Mundi during the Roman Empire, capital of Italy since 1870, home of the Catholic Church and the Italian government, is placed on the banks of the Tiber, there where the river, running weakly among the seven hills, creates vast meanders which originate little plains. Rome has bewildering artistic heritage and contains precious works of art, palaces, museums, parks, churches, gardens, basilicas, temples, villas, piazzas, and different venues. The 5 most visited spots in Rome are The Colosseum, Pantheon, Trevi Fountain, Sistine and The Roman Forum Having been the focal point of one of the world's most prominent developments ever, Rome has applied an enormous impact over the world in its thousand years in length history.
