Our Programme

Our programme aims to support public health by promoting healthy and safe food choices, with an emphasis on large-scale approaches and innovative technologies in the fields of food Food Chemistry and Food Processing, Food Biotechnology and nutrition, Livestock nutrition, Human health in probiotics, Recent innovation in food chemistry, Food Toxicology.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and delegates from academia, industry, and food safety professionals.

5+ Keynote Sessions

10+ Scientific Sessions

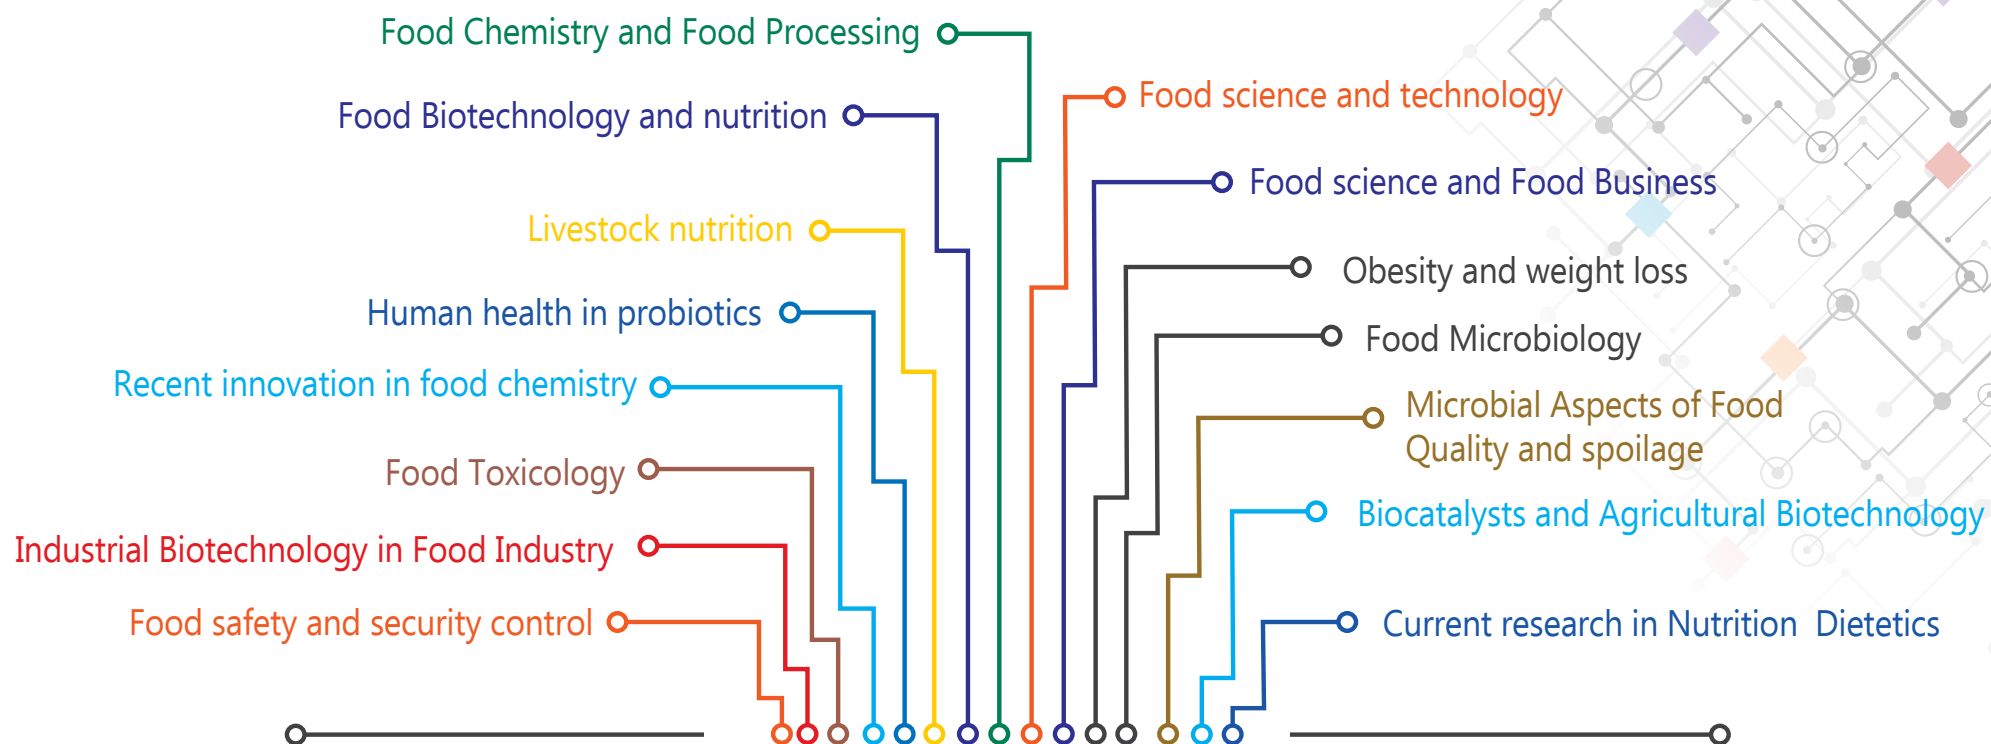

Workshops and
Special Sessions

40+ Oral
Presentations

25+ Poster
Presentations

Young
Researchers
Forum

Conference Sessions

FOOD CHEMISTRY MEET 2019

Venue & Hospitality

Dubai got ranked 7th world's most visited cities by international tourists that have visited Dubai according to a survey conducted by Euro monitor. Dubai has been nicknamed the "shopping capital of the Middle East." The city draws large numbers of shopping tourists from countries within the region and from as far as Eastern Europe, Africa, and the Indian Subcontinent. Modern shopping malls and boutiques are also found in the city. Dubai Duty-Free at Dubai International Airport offers merchandise catering to the multinational passengers using Dubai International Airport. While boutiques, some electronics shops, department stores, and supermarkets may operate on a fixed-price basis, most other outlets consider friendly negotiation as a way of life.

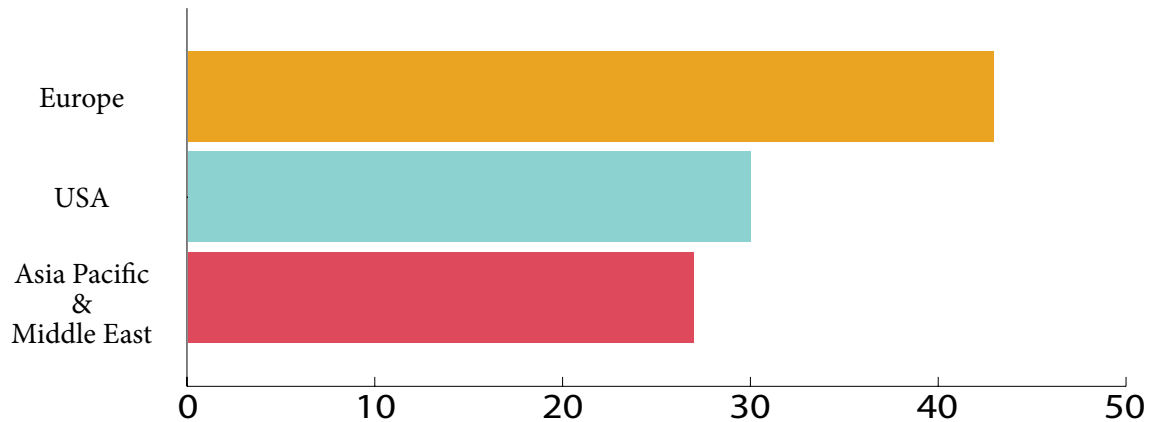

Dubai's numerous shopping centers cater to every consumer's need. Cars, clothing, jewelry, electronics, furnishing, sporting equipment, and any other goods will all be likely to be under the same roof. Modern shopping malls and boutiques are also found in the city. Dubai Duty-Free at Dubai International Airport offers merchandise catering to the multinational passengers using Dubai International Airport. While boutiques, some electronics shops, department stores, and supermarkets may operate on a fixed-price basis, most other outlets consider friendly negotiation as a way of life.

our DELEGATE is your CLIENT

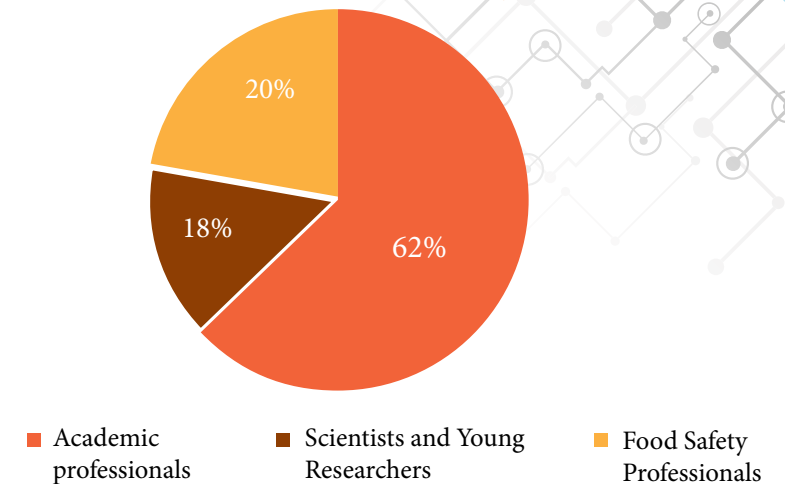

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2016-2017, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan and Spain
