

Scientific Program

International Conference on
FOOD SAFETY AND HEALTH
&
11th World Congress on
FOOD CHEMISTRY AND FOOD MICROBIOLOGY
AUGUST 30-31, 2018 | DUBAI, UAE

FOOD SAFETY & CHEMISTRY 2018

Conference Series llc Ltd

47 Churchfield Road, London, W3 6AY, UK

Tel: +1-201-380-5561, Toll Free No: +44-2088190774

Email: foodsafety@nutritionalconference.com

09:00-09:30

Registration Opens

Al Shams

09:30-09:50

Opening Ceremony

09:50-10:50

Keynote Presentation

Title: Cow's milk protein allergy: Prevention & management
M Miqdady, Sheikh Khalifa Medical City, UAE

10:50-11:15

Networking and Refreshments Break with Group Photo

Scientific Sessions: Food Safety in Retail Foods | Applied Nutrition | Food Science and Technology | Food Allergies and Intolerance

Session Chair: **M Miqdady, Sheikh Khalifa Medical City, UAE**

11:15-11:45

Title: The importance of food safety & hygiene

Francine L Shaw, Savvy Food Safety, USA

11:45-12:15

Title: Nutritional evaluation and consumer's acceptability studies of soy-yoghurt fortified with natural fruit

Sharon Omolola Olukunle, Federal College of Animal Health and Production

12:15-12:45

Title: The autoimmune implications of grain: The 'Staff of Life'

Stephanie Niazi, CPPC Holistic Coach, UAE

Video Presentation

12:45-13:15

Title: Broadening the arena of food chemistry and microbiology to make them food laws friendly

F L Pathan, MAEER's MIT College, India

Lunch Break 13:15-14:15 @ Restaurant

14:15-14:45

Title: Effect of three functional ingredients on technical, sensorial and microstructure properties of flat bread: Response surface methodology aiding functional food development

Yaseen Galali, Salahaddin University-Erbil, Egypt

14:45-15:15

Title: Fermented food and weight loss

Hanadie BM, Acacia Holistica, UAE

15:15-15:45

Title: Role of animal resources in reducing malnutrition in red sea and north Darfur states

Nawal NourEda-im Omer, Reem Abdelfatah Ahmed Elzibir, University of Khartoum, Sudan

15:45-16:15

Title: Preventing cross-contamination

Francine L Shaw, Savvy Food Safety, USA

16:15-16:45

Title: Food safety issue in hospitals

Bulbin Jos, Dubai Health Authority, UAE

Friday 31st August 2018

Day 2

Al Shams

09:45-10:45

Keynote Presentation

Title: Antibiotics from marine bacteria associated with seaweeds against fish pathogens – A possible probiotic application
Senthil Kumar, College of Applied Sciences, Ministry of Higher Education (MOHE) - Sultanate of Oman

10:45-11:00

Networking and Refreshments Break

11:00-12:00

Keynote Presentation

Title: IBS dietary management
Dana Al-Hamwi, Emirates Diabetes Society, UAE

Scientific Sessions: Applied Nutrition | Food Science and Technology | Food Microbiology

Session Chair: **Senthil Kumar**, College of Applied Sciences, Ministry of Higher Education (MOHE) - Sultanate of Oman

12:00-12:30

Title: Role of Nutrition in improving quality of quality of patient care
Bulbin Jos, Dubai Health Authority, UAE

12:30-13:00

Title: Evaluation of antimicrobial resistance pattern and virulence gene characterizations of *Pseudomonas aeruginosa* isolated from salad samples
Aisan Asalipisheh, Islamic Azad University, Iran

Lunch Break Lunch: 13:00-14:00 @ Restaurant

14:00-14:30

Title: The risk of malnutrition in the elderly in Ghana: A case study
Richard Stephen Ansong, Department of Nutrition and Food, Legon- Accra, Ghana

Poster Presentations 14:30-15:00

FCM-01

Title: Studies on physiological and functional properties of protein co-precipitates from camel's and goat's milk

Manal Abdulaziz Saleh AIGHsyar, Qassim University, College of Agriculture and Veterinary Medicine

FCM-02

Title: Toxinogenic and physico-chemical characterization of *Bacillus Cereus* Spores isolated from an Algerian dairy plant

Nassima Didouh, Université Djilali Bounaama Khemis-Miliana-Algérie

FCM-03

Title: Role of animal resources in reducing malnutrition in red sea and north Darfur states

Hanadi Abbas, Ministry of Animal Resources Khartoum, Sudan

FCM-04

Title: Effect of hydrophobic/hydrophilic (or some characteristics) character of *B cereus* spores on their adhesion capacities and resistance to biocides

Nassima Didouh, Université Djilali Bounaama Khemis-Miliana-Algérie

Panel Discussion

Closing Ceremony
