World Food Science and Technology Congress

June 11-12, 2018 | Greece, Athens
Dear Attendees,

We are glad to announce the World Food Science and Technology Congress to be held in Greece, Athenes from June 11-12, 2018 organized by Conference Series, in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that’s a confluence of all stake holders of the ecosystem –Food Science Academia, Researchers, Industries, Innovators – coming together to present and discuss current Topics in Rejuvenating development and difficulties in nourishment science which will investigate the advances in Food Science and Processing, Nutrition and Nutritional Management and Public Health and so on. It will be a chief occasion that unites an interesting and International blend of specialists, analysts and leaders both from the scholarly world and industry over the globe to trade their insight, experience and research developments to construct a world Food Scientist and technology meet. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Pediatric Cardiologists to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Greece this June.

Sincerely,

Food Science Congress 2018
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues: All accepted abstracts will be published irrespective Conference Series Journals
Each abstract will be provided with digital Object Identifier by Cross Ref
Food Science Congress 2018 Conference website is attracting 25000+ Diabetologists, Metabolism Physicians online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

### Food Science Congress 2018 salient features
- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

### How Conference Series Conferences differs from others?
- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

### Goals
- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world’s scientific experts to catalyze and advance scientific knowledge about Nutrition and Food Science present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

https://foodsciencecongress.conferenceseries.com/
Objectives
- After participating in this meeting, attendees should be able to discuss emerging issues in Food science and Technology
- Discuss and apply recent research findings related to Food Science and Technology
- Reflect on the place of critical distance in Food science and Technology

Who should attend
Food Science Congress 2018 is Exclusively designed for Nourishment Scientists, Food Researchers, Academicians, Food Industrialists, Food laureates, Entrepreneurs, Nutritionists, Chemists, Chefs, Journalists, Honorable guests, Pharmacists, Professors, Student Delegates, Young Research Forum.

About hosting organization
Conference Series is the world’s leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposia 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref.

Major Sessions
- Food Science and Technology
- Food Engineering
- Sports Nutrition
- Food Adulteration
- Probiotics
- Dairy Food Technology
- Current Trends in Food Technology
- Food Rheology
- Pharma and Nutraceutical
- Food Biotechnology
- Food Marketing and Economics
- Current Advances in Nutrition & Food Sciences
- Food Science and Food Chemistry
- Nano Technology in Food Industry
- Food Poisoning and Regulatory Toxicology
- Food Storage and Preservation
- Food Analysis and Quality Control
- Food Packaging
- Food Safety, Quality and Policy
- Agri Food Technology
- Food Public Health & Hygiene
Supporting Journals

- Journal of Food Processing and Technology
- Journal of Probiotics & Health
- Journal of Nutrition & Food Sciences
