

Scientific Program

12th International Conference and Exhibition on

Pharmacovigilance & Drug Safety

&

22nd International Conference and Exhibition on

Pharmaceutical Formulations

&

21st Euro-Global Summit on

Toxicology and Applied Pharmacology

July 04-06, 2019 | Valencia, Spain

DAY-1

July 04, 2019

Meeting Hall: **Minor Room**

08:30-09:30 Registrations

Opening Ceremony **09:30-09:50**

KEYNOTE FORUM

09:50-10:00 Introduction

10:00-10:40 **Title: The pitfalls of natalizumab discontinuation in patients with multiple sclerosis and their abatement by minimizing washout duration: The results of four clinical studies**
Stanley Cohan, Georgetown University School of Medicine, USA

10:40-11:20 **Title: Pharmacovigilance monitoring in social media: Challenge, facts and solution**
Tarik Messaoud, Merck, Canada

GROUP PHOTO

Networking & Refreshments 11:20-11:40 @ Foyer

11:40-12:20 **Title: Non-additive genotoxic effects of polycyclic aromatic hydrocarbons in mixtures in human *in vitro* models**
Thierry Douki, SyMMES - INAC CEA, France

Sessions: Pharmaceutical Formulations | Pre-Clinical and Clinical Trials | Adverse Drug Reactions Pharmacovigilance and Risk Management | Clinical Trials on Various Disorders | Pharmacovigilance Significance & Scope

Chair: Stanley Cohan, Georgetown University School of Medicine, USA

INTRODUCTION

12:20-12:45 **Title: Novel drug delivery systems for posterior eye diseases**
Whitney Shatz, Genentech Inc., USA

12:45-13:10 **Title: Perspectives in post marketing research**
Deepa Arora, CLINEXEL Life Sciences Pvt Ltd, India

Lunch Break 13:10-14:00 @ Hotel Restaurant

14:00-14:25 **Title: Artificial intelligence in pharmacovigilance (A big wave)**
Sunil D Nighot, Johnson & Johnson Pvt Ltd, India

14:25-14:50 **Title: Practical approach: End to end management of safety updates - signal to label**
Vishakha Oza, Grünenthal GmbH, Germany

14:50-15:15 **Title: The fetal safety of enoxaparin use during pregnancy**
Amalia Levy, Ben-Gurion University, Israel

15:15-15:40 **Title: Mechanism of adverse drug reactions**
Sheela Ankolekar, Norgine, UK

Networking & Refreshments 15:40-16:00 @ Foyer

16:00-16:25 **Title: Artificial intelligence in pharmacovigilance? What a challenge!**
Omar Aimer, Sanofi, Canada

16:25-16:50 **Title: Modulation of genotoxic effects of polycyclic aromatic hydrocarbons in human skin upon co-exposure with sunlight**
Thierry Douki, SyMMES - INAC CEA, France

Panel Discussion

DAY-2

July 05, 2019

Meeting Hall: **Minor Room**

POSTER PRESENTATIONS 11:00-12:00 @ FOYER

Poster Judge: Tarik Messaoud, Merck, Canada

Poster-01 **Title: Microfluidic-based development of thermo-responsive porous magnetic microparticles for Cancer treatment**
Luis F. Bravo-Duque, National Autonomous University of Mexico (UNAM), Mexico

Poster-02 **Title: Magnetoelectric nanoparticles as a new drug delivery system**
S. N. Casillas-Popova, National Autonomous University of Mexico (UNAM), Mexico

Poster-03 **Title: A pH and thermo-sensitive targeted nanogel as a possible treatment for rheumatoid arthritis**
Mayra Martinez-Pelaez, National Autonomous University of Mexico (UNAM), Mexico

Poster-04 **Title: Synthesis and characterization of a system based on magnetic nanoparticles with molecularly imprinted polymers and its evaluation in drug release**
L. Antonio-Gutierrez, National Autonomous University of Mexico (UNAM), Mexico

Poster-05 **Title: Novel cytotoxic conjugates of peptibodies targeting Fibroblast Growth Factor Receptors (FGFR)**
Natalia Skinder, University of Wroclaw, Poland

Poster-06 **Title: Biopharmaceutical formulation analysis**
Natalie Perraudeau, Protagen Protein Services GmbH, Germany

Poster-07

Title: Effect of vanadium trioxide (V_2O_3) on the expression of p^{21} and p^{53} genes of human lymphocytes treated *in vitro*

Víctor A. Alcántara-Mejía, Universidad Nacional Autónoma de México, México

Poster-08

Title: Pesticides exposure of pregnant women and the metabolism of vitamin D

Lhilali I, Moulay Ismail University, Morocco

Poster-09

Title: Occurrence, seasonal variation and long-term persistence of different SSRI concentrations in the lake systems of Southern Bangalore, Karnataka, India

Vidya Padmakumar, Mangalore University, India

Networking & Lunch Break: 12:00-13:00 @ Hotel Restaurants

Panel Discussion

Awards & Closing Ceremony
