4th International Congress on General Practice & Primary Care

APRIL 15-16, 2019 | BERLIN, GERMANY

AGENDA
Title: Understanding Primary Care Healthcare Disparities at the Community, Regional and State Level through Visualization

Ann K Peton  
National Center for the Analysis of Healthcare Data, USA

Biography: Ann K Peton is Director of the National Center for the Analysis of Healthcare Data (NCAHD) and also a Director, of National Center for Rural Health Works. Her research interest is in the Rural health best practices and community development.

Title: A Case of Amyotrophic Lateral Sclerosis which was diagnosed with Progressive Dysphagia and Muscle Atrophy

Tadashi Komata,  
Niigata Rehabilitation Hospital, Japan

Biography: Tadashi Komata is a medical doctor (rehabilitation & neurosurgery) who is now working in Niigata Rehabilitation Hospital, Niigata, Japan. During 20 years as a neurosurgical specialist, he also devoted himself on the research of immunotherapy and gene therapy for malignant glioma patients. He now focuses on rehabilitation for patient with sequelae after stroke, head injury, or spinal cord injury. He is now especially interested in evaluation of dysphagia, and treatment of spasticity using botulinum toxin.

Title: Automated diagnosis of AF Detection Based on ThingSpeak Application and Deep Learning Model

Murtadha Kareem,  
UK

Biography: Murtadha Kareem has the expertise in evaluation and passion in improving the wireless heart health monitoring system for stroke risk mitigation. His research is subjective with promising approach, and that would create new pathways for improving long -term monitoring healthcare. He has built this model after two years of experience in research. This approach is beneficial for patients and medical practitioners that aid to diagnose chronic heart diseases at the early stages. From that prospective, it brings the advantages for scientific researchers and medical practitioners of narrowing down the existing problems with objective solution in the most cost effective way.
Title: The Lived Experiences of Undergraduate Nursing Students Learning Drug Dosage Calculation

Marie-Bernard Lazare, Barry University, USA

Biography: Marie-Bernard Lazare is from Barry University. She completed her PhD and she is also a Registered Nurse.

Title: The Lived Experience of the Hospice Care Nurse as Primary Provider of End-of-Life Care: Phenomenological Research

Ellen Reinhart, AHMP, USA

Biography: Ellen Reinhart has her expertise in hospice and is passionate about providing excellent care to patients and families. To improve hospice care it is necessary to understand the impact end-of-life care has on the nurses providing that care. This research opens the door to reveal the unknown world of the hospice care nurses. Hospice care nurses are needed locally and globally, and the decimation of this study could influence funding resources for future research. This research may add to the body of nursing knowledge, improve working conditions for hospice nurses, and impact patient care.

Title: Fecal Microbial Transplantation and Gastro Intestinal Diseases

Aziz Koleilat, Makassed University General Hospital, Lebanon

Biography: Dr. Aziz Koleilat, born in Beirut, accomplished his premedical studies at the American University of Beirut, Lebanon, graduated from Charles University Prague, Czech Republic - Pediatric Faculty. Pursued his postgraduate studies and training at the Teaching Hospital of Charles University, Prague. He is an editorial and advisory member of many gastroenterology and health journals. He is a member of many Lebanese, Arab and Czech & Polish medical societies. Dr. Koleilat was the first one to establish Pediatric Award for the best research paper for pediatric residents in Lebanon. His interest is in Asthma, child development and nutrition & gastroenterology.
Title: "The Long – Term Effects of a Prevention Program on the Number of Incidents and Sick Leave Days"

Biography: Valerie Isaak has her PhD in Public Administration. Her expertise is in Health Organizations. During the last ten years she conducted several researches in the largest Psychiatric Hospital in Israel. All her research focusing on improving the workplace for the employees and as an outcome to promote high quality service to the patients. Her last research received a support from the Israel National Institute for Health Policy Research. This study is unique and ground-breaking: it examines the process of Accreditation assimilation (quality standard for general hospitals) before, during and after the procedure in the world's first psychiatric hospital.

Valerie Isaak, University of Haifa, Israel

Title: Need Assessment, Planning & Management for Health Resources; A case of Makkah Trauma Center level 1 and Makkah EMS & DMC

Biography: Ahmed Ali Shammah is from Umm Al-Qura University. He is from Department of Clinical Technology and a Faculty of Applied Medical Science. His research interest includes Healthcare Management.

Ahmed Ali Shammah, Umm Al-Qura University, Saudi Arabia

Title: Is Jordan ready to adopt evidence based Practices in Pediatric Primary Prevention?

Biography: Muna Kilani, graduated from the University of Jordan 1996, she then finished a pediatric residency at Case Western Reserve (MetroHealth Medical Center) in Cleveland, OH in the USA 2001, from there she went on to finish a pediatric pulmonology fellowship at Indiana University (Riley Hospital for Children), in 2004. Her research interest in integrating evidence-based medicine into the medical field in Jordan as well as incorporating primary preventive pediatric medical care into the Jordanian health system, both the public and the private sectors.

Muna Kilani, Hashemite University Faculty of Medicine, Jordan
Title: IGG4-Related Aortitis – A Case Report

Mónica Pon, China

Biography: Mónica Pon is an Internal Medicine Specialist that is dedicated to the field of Diabetes, Obesity and Metabolic Syndrome. She completed her post-graduation in Clinical Nutrition. At present very interested on doing studies on NAFLD.

Title: Management of Vascular Gunshot Injuries of the Extremities

Mleyhi Sobhi, University of Medicine Pierre & Marie Curie, Tunisia

Biography: Mleyhi Sobhi is from University's Faculty of Medicine Pierre and Marie Curie. His research interest includes Cardiology and cardiovascular disease.

Title: Role of Perceived Supervisory Safety Practices in relationship between Organizational Attitudes and Safety Performance among Doctors

Haleema Saadia Khan, Quaid-I-Azam University, Pakistan

Biography: Haleema Saadia Khan is a doctoral student at National Institute of Psychology. She is a Higher Education Commission of Pakistan’s Indigenous Scholarship holder. She has interest in carrying out her doctoral work on creating awareness of safety culture in health care settings of her country.
Title: Female Medical Students and Interns Awareness about Diabetes, Hypertension, Stroke, Atherosclerosis and Myocardial infarction At Tabuk University

Shahad Ahmed Albalawi, Ministry of Health, Saudi Arabia

Biography: Shahad Ahmed Albalawi is from Ministry of Health, Kingdom of Saudi Arabia.

Title: The Effect of Peer Support Groups on Family Adaptation from the Perspective of Wives of War Veterans with Posttraumatic Stress Disorder

Mojtaba Gholami, Birjand- University of Medical Sciences, Iran

Biography: Mojtaba Gholami is from Birjand- University of Medical Sciences. His research interest includes General Practice and Primary Care.

Title: General practice and primary care

Tewodros Eshete China

Biography: Eshete Tewodros has extra wants on improving health care and open minded to help people on these issues. He has completed my bachelor by nursing. After completing his study, he went to china for another study. Currently he is studying in china. He has been participating in his country on primary health care. His research interest includes General Practice & Primary Care.
Title: Macrolides in Critically Ill Patients with Middle East Respiratory Syndrome

Abdulsalam M. Al-Aithan,
King Abdullah International Medical Research Center,
Saudi Arabia

Biography: Abdulsalam M. Al-Aithan is from King Abdullah International Medical Research Center. He is from Intensive Care Department. His research interest includes Health Science.

Title: Ligand based Pharmacophore model development for the identification of Novel Anti-Psychotic Drugs

Saima kalsoom,
International Islamic University Islamabad,
Pakistan

Biography: Saima kalsoom is from International Islamic University, Islamabad, Pakistan and a Faculty of Basic and Applied Sciences. Her research includes Bioinformatics and Biotechnology.

Title: pH-Sensitive Co-Adsorption/Release of Doxorubicin and Paclitaxel by Carbon Nanotube, Fullerene, and Graphene Oxide in Combination with N-Isopropylacrylamide: A Molecular Dynamics Study

Milad Rezaian,
Shahid Beheshti University of Medical Sciences, Iran

Biography: Milad Rezaian, MD from Shahid Beheshti University of Medical Sciences, School of medicine graduated as the highest ranking student at age 25. He has silver medal from the 14th National Biology Olympiad of Iran, and is a member of Iran’s National Elite’s Foundation. He has been the author of 5 books for Iranian medical students, and has publications in the fields of anatomy and pharmacology.
<table>
<thead>
<tr>
<th>Title: Trajectory of Failed Back Surgery Syndrome Patients between their Last Spine Surgery and Spinal Cord Stimulation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jean Marie Vianney Hope, Rwanda Military Hospital, Africa</td>
</tr>
<tr>
<td>Biography: Jean Marie Vianney Hope, Fellow West African College of Surgeon (FWACS), M.D., Mmed (consultant in orthopedics and Trauma Surgery), and now is working at Rwanda Military Hospital, Deputy head of the Orthopedics and Trauma Surgery Department, Co-Chairman for Research Board of bone cancer and spinal surgery, Member of the west African College of Surgeons (WACS) and the International Orthopedics (SICOT). He got Bachelor of Medicine and Surgery at National University of Rwanda in 2012. He is now a spinal surgery and joint replacement therapy specialist.</td>
</tr>

**Title: A clinical Score to diagnose Viral Sore Throat: Mistik Score**

**Biography:** Selcuk Mistik graduated from Tarsus American College. He became a medical doctor after finishing Hacettepe University Medical School in 1994. He completed his residency in family medicine with the thesis ‘Assessment of nutritional status and its effects on morbidity and mortality in hemodialysis patients’ at Ankara Numune Training and Research Hospital in 1999. He started working at Erciyes University Medical Faculty in 2001, and was appointed as a full professor of family medicine in 2011. He is the head of Department of Family Medicine in Erciyes University Medical Faculty.

**Selcuk Mistik**  
Erciyes University, Turkey

---

**Title: Chronic Cough in Adults: Evaluation and Management in Primary Care**

**Biography:** John Malaty has expertise in ear-nose-and-throat conditions in primary care. He is an academic family Physician, who is board-certified by the American Board of Family Medicine and who also has prior Residency training in Otolaryngology, where he learned specialized clinical care skills about evaluating and managing ear-nose-and-throat problems that are frequently encountered in primary care. His expertise has led him to publish and present his research work nationally and internationally in this field, and to teach these skills to family medicine residents in an academic family medicine residency training program at the University of Florida.

**John Malaty**  
University of Florida, USA

---

**Title: ED and CVD in primary care: Are we missing screening and intervention opportunities?**

**Biography:** Rehana B Ahmed is a General Practitioner from Edmonton, and is currently working in Ireland. She recently qualified with registration of MICGP in Ireland. She has a strong interest in primary prevention and her main interest in general practice is modifying risk factors rather than treating disease.

3rd International Conference on General Practice & Primary Care

&

24th International Conference on Dental Public Health & Dental Hygiene

August 16-17, 2018 | Madrid, Spain
DAY-1
August 16, 2018
Meeting Hall: Sorolla

Opening Ceremony

KEYNOTE FORUM

Introduction
Title: A clinical score to diagnose viral sore throat: Mistik score
Selcuk Mistik, Erciyes University, Turkey
Title: What makes out-of-pocket prescriptions for benzodiazepines and z-drugs so attractive
Katharina Schmalstieg-Bahr, University Medical Center Gottingen, Germany

GROUP PHOTO

Title: Rehabilitation of patients with pain form of temporomandibular joint dysfunction
Malgorzata Pihut, Jagiellonian University, Poland

Sessions: Prosthodontics | Dental Hygiene and Oral Health | Pediatric Dentistry

Chair: Rosa Tarrago Gil, Hides Aragon, Spain
Co-Chair: Elena Martinez Sanz, Complutense University of Madrid, Spain

INTRODUCTION

Title: Clinical evaluation of the two-stage procedure of rehabilitation of edentulous patients with functional disorders of the masticatory system
Magdalena Orczykowska, Jagiellonian University, Poland
Title: Treatment of temporomandibular joint disorders in children and young adults
Ewa Ferendiuk, Jagiellonian University, Poland
Title: An assessment of the frequency of dentally unregistered paediatric patients requiring hospital admittance for dental infections
George Jones, James Cook University Hospital, UK

Lunch Break

Sessions: General Practice and Family Practice | General Practice and Education & Research | General Practice and Public Health | General Practice and Cancer & Palliative Care
Chair: Jorgen Lous, University of Southern Denmark, Denmark
Co-Chair: Katharina Schmalstieg-Bahr, University Medical Center Gottingen, Germany

Title: Primary care organization and performance: A cross sectional study of outpatients’ experience in Malawi
Luckson Wandani Dullie, University of Bergen, Norway

Title: E-referrals to ENT: How have these changed our practice and how can we be more NICE?
Grant S Nolan, UK

Title: Chronic rhinosinusitis: Evaluation and management in primary care
John Malaty, University of Florida Gainesville, USA

Title: Predictors for weight loss after patient-focused preventive consultations in general practice to over-weight vulnerable young adults
Jorgen Lous, University of Southern Denmark, Denmark

Title: The comparison of three methods in hypertension management: Normal variations in blood pressure in ambulatory blood pressure measurements
Selcuk Mistik, Erciyes University, Turkey

Networking & Refreshments

Title: Methods on how we did a patient-focused primary prevention to younger vulnerable patients in general practice, Denmark
Jorgen Lous, University of Southern Denmark, Denmark

WORKSHOP

Title: Treatment protocols in molar incisor hypomineralization: New remineralizing agents and sealants
Rosa Tarrago Gil, Hides Aragon, Spain
Elena Martinez Sanz, Complutense University of Madrid, Spain

Panel Discussion

D A Y - 2

August 17, 2018
Meeting Hall: Sorolla
KEYNOTE FORUM

Introduction
Title: Chronic cough in adults: Evaluation and management in primary care
John Malaty, University of Florida Gainesville, USA
Title: Treatment of temporomandibular joint dysfunction with the intra-articular injection
Malgorzata Pihut, Jagiełłonian University, Poland

Networking & Refreshments

Sessions: General Practice and Child Health | Prosthodontics | General Practice and Education & Research | Dental Hygiene and Oral Health | General Practice and Public Health | Geriatric Dentistry | General Practice and Infectious Disease | Dental Research and Dental Marketing

Chair: Michele Aubin, Laval University, Canada
Co-Chair: Malgorzata Pihut, Jagiełłonian University, Poland

INTRODUCTION

Title: Evaluation of the quality of life of edentulous patients using complete dentures
Magdalena Orczykowska, Jagiełłonian University, Poland
Title: Temporomandibular joint disorders: Challenge or everyday life in clinical practice
Ewa Ferendiuk, Jagiełłonian University, Poland
Title: Recurrence of stroke in patients with AF using NOACs
Yasushi Ueno, Shinko Memorial Hospital, Japan
Title: Geiatric dentistry, prothodontics and general health new approaches and methods
Omid Tavakol, Shiraz Islamic Azad Dental School, Iran
Title: Can a pragmatic intervention improve supportive care for family caregivers of patients with cancer? Results of a randomized trial
Michele Aubin, Laval University, Canada

Lunch Break

Title: The role of social media in health and scientific awareness
Elham Khalid, Riyadh Elm University, Saudi Arabia
Title: ED and CVD in primary care. Are we missing screening and intervention opportunities?
Rehana Ahmed, University of Limerick, University College Cork, Ireland
Title: Lymphatic malformation
Omar Amer Elhag Abdalla, Gezira University, Sudan
Title: Waminda: Leading the way with aboriginal health worker retention rate
Sara Deroy, University of Wollongong, Australia
Title: Reasons for falling among the elderly and the preventive measures: A public health survey
Rabia Mahmood Khan, Liaquat National Hospital, Pakistan

Networking & Refreshments

POSTER PRESENTATIONS

VIDEO PRESENTATIONS
Title: Morphology and prevalence of c-shaped canal system in mandibular second molars in north iranian population: A cone-beam computed tomography study
Narjes Hoshyari, Mazandaran University of Medical Science, Iran

Title: Dental implant
Rohit Agrawal, Agrawal Hospital & Research Institute, India

Panel Discussion
Awards & Closing Ceremony

Scientific Program

16th International Conference on Clinical and Experimental Ophthalmology & 2nd International Conference on General Practice and Primary Care

September 18-20, 2017  Zurich, Switzerland
Keynote Forum

Title: Long-term results of accelerated trans-epithelial cross-linking for keratoconus with osmotic riboflavin solution (ParaCelTM)
Roberto Pinelli, SERI, Switzerland

Title: Ophthalmologic biomarkers in pediatric psychiatric diseases
Joan Prat, Hospital Sant Joan de Deu de Barcelona, Spain

Networking and Refreshments Break

Sessions: Retina & Retinal Disorders | Cornea & External Eye Disease | Ophthalmology Surgery
General Medicine
Session Chair: Roberto Pinelli, SERI, Switzerland

Title: Microinvasive glaucoma surgery (MIGS)
Babak Eliassi-Rad, Boston University School of Medicine/Boston Medical Center, USA

Title: Innovations in oculoplasty
Hemant Mehta, Gwynedd Hospital, UK

Title: Design of a cooling TRPM8 agonist to treat ocular discomfort
Edward T Wei, University of California, USA

Title: Imposters of Glaucoma
C Richard Blake, University of Florida College of Medicine, USA

Title: Bilateral Oftalmoplejia, a patient with Neurobrocelosis: Case report
Jorge Garduño-Vieyra, Instituto Oftalmológico Privado, Mexico

Special Session

Title: Contact lens friction
Samuele G P Tosatti, SuSoS AG, Switzerland

Lunch Break

Special Teaching Course

Teaching Course on Primary Retinal Detachment: Diagnostics, options for repair and their comparison. Quiz of retinal detachments
By Prof. Ingrid Kreissig, University of Mannheim - Heidelberg, Germany

1. Diagnostics of retinal detachments
Moderators: Prof. Ingrid Kreissig (Germany)
Stefan Mennel (Austria)

1.1 Title: The 4 Rules to find the primary break
Prof. Ingrid Kreissig, University of Mannheim - Heidelberg, Germany

1.2 Title: Ambulatory binocular occlusion: Retinal detachment, vitreous hemorrhage
J Schmidt (Germany)

2. Minimal scleral buckling without drainage

Title: Surgical technique of segm. buckling (video), optimal tamponade of break, complications, long-term anatomic and functional results
Stefan Mennel, Austria

Session Introduction

Title: Uveitis: How far we are?
Sultan E AL-Zaaidi, Prince Sultan Military Medical City, Saudi Arabia

Title: Peter’s Anomaly and the clinical implications of rare genetic ocular diseases on the patient
Robert W. Sault, Kelowna General Hospital, British Columbia

Title: Morphological changes of corneal nerve fibres associated with diabetic retinopathy
Alina Aligera, Riga Eastern University Hospital, Latvia

Title: Treatment results of extensive retinal ischemia and macular oedema in a case of idiopathic frosted branch angiitis
Arjeta Grezda, University Hospital Center "Mother Teresa", Albania

Title: Washout of pseudoexfoliation material combined with cataract surgery: a new surgical approach to lower intraocular pressure in pseudoexfoliation syndrome
V Tao Tran, Centre for Ophthalmic Specialised Care (COS), Switzerland

Title: Cataract/vitrectomy, phaco free, using reusable systems
Jorge Garduño-Vieyra, Instituto Oftalmológico Privado, Mexico

Title: Versatility of the innovative myo-tarsal flap for reconstruction of lower eyelid
Hemant Mehta, Gwynedd Hospital, UK

Lunch Break

Title: Comparison of ranibizumab in monotherapy versus association with intravitreal dexamethasone in diabetic macular oedema
Zuzana Schlegel, Laser Vision Schlegel, Reunion Island

Title: Accelerated visual recovery in transepithelial phototherapeutic keratectomy in comparison to mechanical epithelial removal followed by cross-linking for progressive keratoconus
Jonathan E Moore, Cathedral Eye Clinic, UK

Title: Potbelly dancing cataract (imagination versus reality)
Ashraf Armia Balamoun, Al Watany Eye Hospital, Egypt

Title: The effects of preconception interventions on improving reproductive health and pregnancy outcomes in primary care: A systematic review
Norita Hussein, University of Malaya, Malaysia

Title: Evaluating patients in sepsis using Compensatory reserve measurement: A prospective clinical trial
Avi Benov, Meir Medical Center, Israel

Title: Cataract management: What is the Win-Win?
Sultan AL-Zaaidi, Prince Sultan Military Medical City, Saudi Arabia

Title: Adaptation and validation of a hospitalized pediatric patients fall risk assessment instrument
Judith Barrientos, National Institute of Paediatrics, Mexico

Title: Disseminated intravascular coagulation with clinical and laboratory evaluations of paediatric patients with acute gastroenteritis admitted at Gharyan Central and Teaching Hospital, Libya
Aisha Sehari, Tripoli University, Libya

Young Research Forum

Title: Improvement of visual field following successful trabeculectomy is related to preoperative mean deviation
Magdalene Yin Lin Ting, University of Cambridge, UK

Title: Home self-monitoring of intraocular pressure using the Icare home rebound tonometer
Jeanne J Ogle, Tan Tock Seng Hospital, Singapore

Panel Discussions

Coffee Break followed by Poster Presentations

P01
Title: Bilateral periorbital necrotizing fasciitis: Case report
Fabio H L Leonardo, Faculty of Medicine of ABC (FMABC), Brazil

P02
Title: In-and-out suture technique for IOL scleral fixation
Young Keun Han, Seoul Municipal Government-Seoul National University Boramae Medical Center, South Korea
Title: Has the tablet perimetry arrived? Visual fields easy app versus humphrey field analyser in glaucoma patients
Roopjit Kaur Sahi, India

Title: Comparison of the pattern of macular ganglion cell-inner plexiform layer defect between ischemic optic neuropathy and open-angle glaucoma
Marjan Afzali Behbahani, Farabi Eye Hospital, Tehran University of Medical Sciences, Iran

Title: Clinical characteristics and the prognostic significance of changes in mean platelet volume during hospitalization for community-acquired pneumonia
Oleg Gorelik, Assaf Harofeh Medical Center, Israel

Day 3 September 20, 2017
Networking and Lunch
Awards & Closing Ceremony
