Program Announcement

Venue

Osaka, Japan

Important Dates

Abstract submission opens: August 15, 2018

Registration opens: September 01, 2018

Early bird registration: October 31, 2018

Mid Registration: January 21, 2019

Registration Closes : April 17, 2019

Accommodation

Number of rooms have been reserved. Discounted room rates for Global Analytica 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of all the advancements in the field of Analytical Techniques.

About Osaka, Japan

Japan is an island country in the Pacific Ocean with thick urban communities, magnificent royal residences, uneven national parks and a large number of holy places and sanctuaries. Shinkansen slug trains associate the principle islands of Kyushu (with Okinawa's subtropical shorelines), Honshu (home to Tokyo and Hiroshima's nuclear bomb remembrance) and Hokkaido (well known for skiing). Tokyo, the capital, is known for high rises, shopping and popular culture

Osaka is a vast port city and business fixate on the Japanese island of Honshu. It's known for its cutting-edge engineering, nightlife and generous road nourishment. The sixteenth century shogunate Osaka Castle, which has experienced a few reclamations, is its principle chronicled point of interest. It's encompassed by a canal and stop with plum, peach and cherry-bloom trees. Sumiyoshi-Taisha is among Japan's most established Shinto places of worship.
