Dear Colleagues,

Global Nursing 2020 cordially welcomes you as a speaker for the "27th Global Nursing and Health Care Conference" to be held during July 01-02, 2020 at the beautiful city of Athens, Greece. The conference will gather grand expertise at the global platform to feature the recent innovations in Nursing and Health Care to fulfill the needs of future research. The conference revolves around the theme “Exploring the Possibilities and Novel Research in Nursing and Healthcare”.

We believe your expertise and knowledge would be a source of inspiration for young budding scientists, students, academicians and business delegates to take Nursing one step further with ground-breaking ideas to lead their way in the innovations. Global Nursing Conference is a remarkable event which brings together a unique and international mix of large and medium companies/industries, leading universities and research institutions making the conference a perfect platform to share experience, foster collaborations across industry and academia, and evaluate emerging technologies across the globe. This conference also includes symposiums and workshop events.

We trust that Global Nursing 2020 will give new measurements to the momentum look into the field of Nursing and Health Care and their journey from labs to industry scale production. It is one of the biggest inventive stages for sharing exploration work, trading thoughts, talking about issues, advancing examination, empowering youthful personalities by and among the pioneers in the field of Nursing and Health Care, including Physicians, Surgeons, Public Health promoters and arrangement producers, coordinated wellbeing experts and extra experts with a personal stake in Nursing

Come join us, learn, and enjoy –Rotterdam welcome’s you.
