- Dear Colleagues, Conference Series llc LTD. is delighted to welcome you to Osaka, Japan for the prestigious 9th International Conference on Spectroscopy and Analytical Techniques. Global Spectroscopy 2019 will focus on the theme “Advancements and Scope of Spectroscopy in Modern Chemistry”. We are confident that you will enjoy the Scientific Program of this upcoming Conference. We look forward to see you at Osaka, Japan.

With Regards,
Global Spectroscopy 2019 Operating
Committee Conference Series Conferences

Editorial Board Members of Supporting Journals:

Eduard Rogatsky
Albert Einstein Medical college
USA

Hideharu Shintani
Kyoto University
Japan

Qin Hu
State University of New York at Buffalo
USA

Andrew C. Benniston
Newcastle University
UK

Zhiwei Hu
Ohio State University College of Medicine
USA

Xuping Sun
King Abdulaziz University
Saudi Arabia

George Perry
University of Texas at San Antonio
USA

Chang Yi Kong
Shizuoka University
Japan

Accommodation

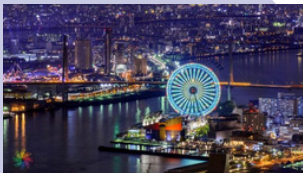

A large number of rooms have been reserved. Discounted room rates for Global Spectroscopy 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Advancement & Trends in Liquid Chromatography-Mass Spectrometry.

About Osaka, Japan

Osaka is the second largest metropolitan area in Japan and serves a major economic hub. Historically a merchant city, Osaka has also been known as the "Nation's Kitchen". With a population of 2.5 million, Osaka is Japan's third largest and second most important city.. It has been the economic powerhouse of the Kansai region for many centuries. The city's west side has the main port as well as a tourist destination with attractions such as Kyocera Dome, Universal Studios Japan, Osaka aquarium, Minami, Osaka castle, Umeda sky building and the Tempozan Harbour Village. The presence of universities, hospitals, legal/accounting and other professional services, together with key installations of the Japan make it favourite destination for scientific meetings.

Abstract Submission

<https://spectroscopyconference.massspectra.com/abstract-submission.php>

Note: All the relevant abstracts will be accepted and published in respective conference proceedings.

Registration

<https://spectroscopyconference.massspectra.com/registration.php>

Important Dates

Abstract submission opens: August 14, 2018

Registration opens: August 14, 2018

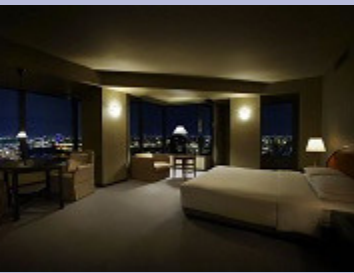

Early bird registration: September 28, 2019

On spot registration: April 18, 2018

Venue

Osaka, Japan
