2nd International Conference on

Diamond and Carbon Materials & Graphene and Semiconductors

April 16-17, 2018 LAS Vegas, USA

****Note: This Program has been designed with the tentative schedule and timings. Dates and timings in this Program are subject to change at any time**

Day 1 April 16, 2017	
Opening Ceremony	
Plenary & Keynote Speeches	
Networking and Refreshments Break Group Photo	
Speaker Session I	**Graphene and other 2D materials Graphene modification and functionalization**
	Panel Discussions
Lunch Break	
Speaker Session II	**Large scale Graphene production and characterization Novel Hybrid carbon materials**
	Panel Discussions

Networking and Refreshments Break	
Speaker Session III	**Applications of graphene in Energy and Biomedicals** **Carbon Materials in Energy**
	Panel Discussions
Day 1 concludes…	

Day 2 April 17, 2017	
Introduction	
Plenary & Keynote Speeches	
Networking and Refreshments Break	
Speaker Session I	**Graphene Synthesis** **Electrochemistry of diamond and Nano carbon materials** **Semiconductor materials and Nanostructures**
	Panel Discussions
Lunch Break	
Speaker Session II	**Nano Carbon Materials** **Applications of carbon nanotubes** **Carbon nanotubes and Graphene**
	Panel Discussions
Networking and Refreshments Break	
Session III	**Poster Presentations**
	Best Poster Award Distribution
Day 2 concludes…
