Webinar on Green Chemistry and Technology

Time zone
(UTC-07:00)
Pacific Time
(US & Canada)

Speaker Forum

- Talk 1** **Title:** Green-(nano) material optimization and their application in environmental remediation
Shashi Prabha Dubey, Assistant Professor & Head, Patliputra University, India
- Talk 2** **Title:** Reduction of chemicals going to domestic waste
Rajendrakumar V Sarf, Viraj Paryavarn Prashala, India
- Talk 3** **Title:** A voltammetric sensor based on green-synthesized two-dimensional molybdenum disulfide nanosheets/nafion composite for determination of dopamine in real samples
Amirhossein Mehmandost, Urmia University, Iran
- Talk 4** **Title:** Synthesis of isocyanides from n-substituted formamides using phosphorus oxychloride
Salami Sodeeq Aderotimi, Rhodes University, South Africa
