Program Announcement

Venue

Melbourne, Australia

Important Dates

Abstract submission opens: August 28, 2018

Registration opens: August 28, 2018

Early bird registration: November 28, 2018

On spot registration: July 26, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Gynecology Congress 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Gynecology and Obstetrics.

About Melbourne, Australia

Melbourne is the capital and most populous city in the Australian state of Victoria, and the second most populous city in Australia and Oceania. The name "Melbourne" refers to the area of urban agglomeration spanning 9,900 km² (3,800 sq. m) which comprises the broader metropolitan area, as well as being the common name for its city Centre. The metropolis is located on the large natural bay of Port Phillip and expands into the hinterlands toward the Dandenong and Macedon mountain ranges, Mornington Peninsula and Yarra Valley. Melbourne consists of 31 municipalities. It has a population of 4,442,918 as of 2014, and its inhabitants are called Melbournians. It is the birthplace of Australian impressionism, Australian rules football, the Australian film and television industries, and Australian contemporary dance. It is recognized as a UNESCO City of Literature and a major Centre for street art, music and theatre. It is home to many of Australia's largest and oldest cultural institutions such as the Melbourne Cricket Ground, the National Gallery of Victoria, the State Library of Victoria and the UNESCO World Heritage-listed Royal Exhibition Building. The main passenger airport serving the metropolis and the state is Melbourne Airport (also called Tullamarine Airport), the second busiest in Australia. The Port of Melbourne is Australia's busiest seaport for containerized and general cargo. Melbourne has an extensive transport network.
