Venue

Radisson Hotel Narita
650-35 Nanae Tomisato-Shi, Chiba, Japan 286-0221

Important Dates

Abstract submission opens: 05 March 2019
Abstract Submission Deadline (1st phase): 30 May 2019
Registration opens: 15 March 2019
Early bird Registration: 30 May 2019
On spot registration: 02 December 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Gynecology Infectious 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Infectious Diseases in Gynecology and Obstetrics.

About Tokyo

Tokyo, Japan's busy capital mixes the ultramodern and the traditional, from neon-lit skyscrapers to historic temples. The opulent Meiji Shinto Shrine is known for its towering gate and surrounding woods. The Imperial Palace sits amid large public gardens. The city's many museums offer exhibits ranging from classical art (in the Tokyo National Museum) to a reconstructed kabuki theater (in the Edo-Tokyo Museum).

Tokyo is a mega-metropolis of dizzying contradictions, both familiar and foreign. It has neon, skyscrapers, and salary man crowds, packed trains, cutting-edge architecture and futuristic technology. But it also has ancient shrines, plant-covered wooden houses, cycling grannies, old-school sweet shops and village-like lanes. It is one of the planet's most densely populated cities (as any rush-hour train journey will demonstrate), with a hyperactive skyline that changes as regularly as the sun rises and sets.
