About Tokyo, Japan

Tokyo is the cultural and economic capital of Japan, and its world class tourist attractions renowned across the globe. The greater Tokyo area is bursting with attractions for visitors of all ages. The greater Tokyo area is the most popular metropolitan area in the world. Tokyo ranked first in the Global Economic Power Index and fourth in the Global Cities Index. The city is considered an alpha + world city – as listed by the Gawks 2008 inventory – and in 2014, Tokyo was ranked first in the “Best overall experience” category of TripAdvisor’s World City Survey (the city also ranked first in the following categories: “helpfulness of locals”, “nightlife”, “shopping”, “local public transportation” and “cleanliness of streets”) In 2015. Tokyo ranked first in the world in the Safe Cities Index. The 2016 edition of QS Best Student Cities ranked Tokyo as the 3rd-best city in the world to be a university student. Tokyo hosted the 1964 Summer Olympics, the 1979 G-7 summits, the 1986 G-7 summit, and the 1993 G-7 summit, and will host the 2020 Summer Olympics and the 2020 Summer Paralympics. It is the world’s most-visited city as measured by international arrivals and has the world’s largest city airport system measured by passenger traffic. Tokyo is also the headquarters of the United Nations University. Tokyo is bursting at the seams with attractions that offer insight into Japan long and fascinating history. Tokyo is Japan’s capital and the largest metropolitan area in the world. It is also one of Japan’s 47 prefectures, consisting of 23 central city wards and multiple cities, towns, and villages west of the city center. The Izu and Ogasawara Islands are also part of Tokyo. Prior to 1868, Tokyo was known as Edo. A small castle town in the 16th century, Edo became Japan’s political center in 1603 when Tokugawa Ieyasu established his feudal government there. A few decades later, Edo had grown into one of the world’s most populous cities. With the Meiji Restoration of 1868, the emperor and capital moved from Kyoto to Edo, which was renamed Tokyo (“Eastern Capital”). World’s highest Skywalk- the Tokyo Sky Tree is the tallest free-standing tower in the world, measuring 634m.
