About Dubai

Dubai is a city located on the southeast coast of the Persian Gulf and one of the seven emirates that make up the country. It has the biggest population in the UAE (2,106,177) and therefore the second largest land territory by area (4,114 km²) after the Abu Dhabi, Is one in all the few cities within the world that has undergone such a speedy transformation from a humble starting as a pearl-diving Centre to at least one of the quickest growing cities on earth. Dubai today is a tourism, trade, logistics hub and has earned itself the reputation of being the 'Gateway' between the east and the west. It is additionally considered as the dynamic nucleus of the Arabian Gulf region.

There are over two million people from over 200 nationalities, Dubai is one of the most cosmopolitan cities within the world. Living in Dubai has a lot to offer. It is safe, politically stable, centrally placed, and has a smart education system and health care facilities, fashionable infrastructure and far additional. The sun shines nearly daily, the looking and leisure facilities are impressive, and therefore the salaries are nontaxable. Living in Dubai is exciting, something new and totally different happens every so often. Just when you think you've seen it all, a new project is announced, whether it is a mega commercial tower, launch of a sports stadium, a residential enclave or yet another shopping mall. Dubai is consistently on the move striving for larger heights and a lot of facilities and luxury for its residents and visitors.

Dubai has a rich social occasion of structures and structures of various design styles. Various front line understandings of Islamic building can be found here. To give a few models: The Burj (Khalifa Tower), the world's tallest building is 828 m tall. The Burj Al Arab, a lavish inn, is as often as possible depicted as "the world's solitary 7-star". Palm Jumeirah: One of its sorts is one of three arranged islands called the Palm Islands which stretch out into the Persian Gulf. The Dubai Flower Garden, Miracle Garden is the world's biggest blossom plant. Dubai is wealthy in its way of life, Education, Healthcare, Sports, Entertainment, Food and Transportation.
