Invitation

Dear Colleagues,

Conference Series LLC Ltd is beaming to invite all the experts in the field of Infectious Diseases, Immunology, Virology, for the forthcoming event “**9th Global Experts Conference on HIV/AIDS, STDs and Co-Infections**” which is going to be held on **November 06-07, 2019** at **Yokohama, Japan**. This Conference focus on HIV Science features the latest HIV science, including basic, clinical and prevention research. It brings together top basic, translational, and clinical researchers from around the world to share the latest studies, important developments, and best research methods in the ongoing battle against HIV/AIDS and related infectious diseases. As HIV/AIDS is an alarming concern throughout the world, HIV-STD 2019 will mainly focus on issues like primary HIV Infection, Transmission and eradication issues apart from this HIV Co-infection, HIV Current pharmaceutical design would cover the experimental drugs developed. HIV-STD 2019 lays perfect platform for physicians, nurses/nurse-practitioners, pharmacists, psychologists, behavioral researchers, Health care professionals, social scientists, epidemiologists, social workers, AIDS service organization (ASO) staff, students, Academicians and professionals working in the field of HIV medicine.

With Regards,

HIV-STD 2019

Program Announcement

Venue

Yokohama, Japan

Important Dates

Abstract Submission Opens: March 20, 2019

Early bird Registration Opens: March 20, 2019

On spot Registration: November 06, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for HIV-STD 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of HIV/AIDS, STDs and Co-Infections Care.

About Yokohama, Japan

Japan is an island nation in East Asia. Located in the Pacific Ocean, it lies off the eastern coast of the Asian continent and stretches from the Sea of Okhotsk in the north to the East China Sea and the Philippine Sea in the south. Japan has the world's tenth-largest population, with over 126 million people. Yokohama is located in the center of Japan, along the coastline of Japan's Pacific Ocean, and one of the 15 Japanese Government-designated cities. The total population of Yokohama is 3.7 million persons, making the city the second largest after Tokyo's 23 Wards

Yokohama is both the political and healthcare capital of Japan. The quality and range of medical services and facilities in Yokohama have contributed largely to the growing demand for medical tourism in the country. Yokohama is the first harbor city introduced to the world as the entrance to Japan. Since the time its port was opened, Yokohama has been vigorously acquiring new cultures and information from foreign countries and introducing to Japan. The city's pop culture manifests itself everywhere makes it a city unlike any other and offers a unique travel experience. If that along with the great food, luxury hotels and ancient shrines are not enough of a reason to visit Yokohama.
