

SPONSORSHIP OPPORTUNITIES

2nd International Conference on
Epigenetics and Human Diseases

November 11-12, 2019 Amsterdam, Netherlands

our DELEGATE
is your CLIENT

Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Cancer Epigenetics, Clinical Epigenetics, Epigenetics Biomarkers, Epigenetics Therapy, Depression and Mental illness, Autoimmune Diseases, Liver Diseases and many more

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

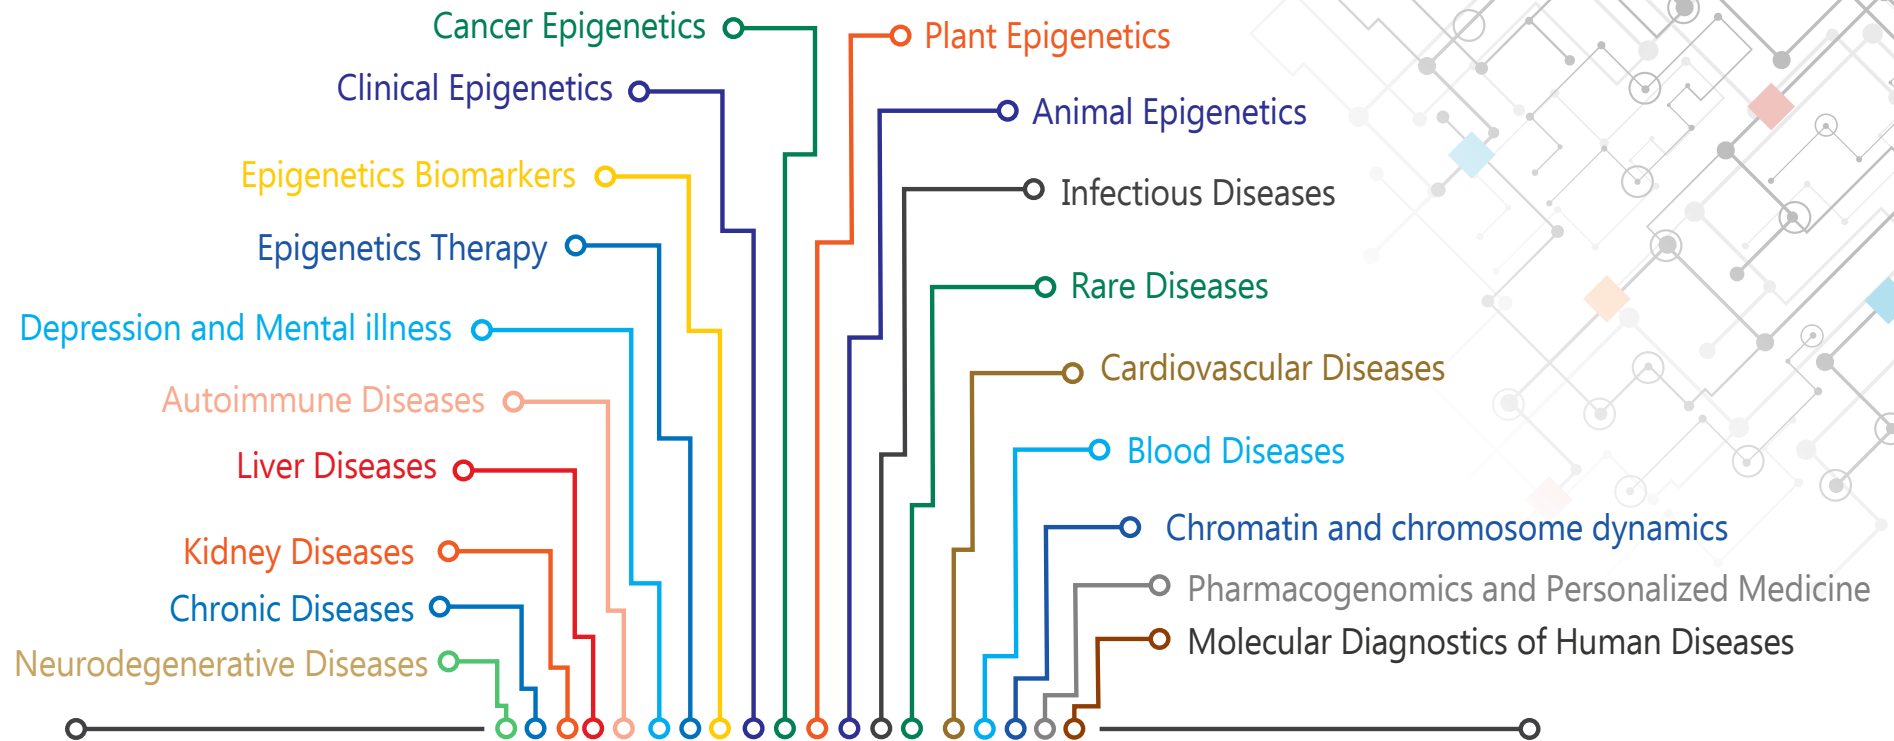

Workshops and
Special Sessions

40+ Oral
Presentations

25+ Poster
Presentations

Young
Researchers
Forum

Venue & Hospitality

Amsterdam, the capital of the Kingdom of the Netherlands, is a standout amongst the most prominent vacationer goals in Europe. In the territory of North Holland, Amsterdam is situated in the western Netherlands. The waterway Amstel closes in the downtown area and interfaces with an extensive number of trenches. With its colleges, foundations, and research establishments, alongside in excess of 40 historical centers, various theaters, and amusement scenes, Amsterdam is the nation's driving social focus. Furthermore, the city is well known for its noteworthy homes, spread out in an example of concentric portions in the state of a fan and based on heaps determined through an upper layer of mud into the firm, sandy base up to 18 meters beneath. Everything considered, somewhere in the range of 6,750 structures dating from the sixteenth to eighteenth hundreds of years are jammed into a region of 2,000 sections of land, analysed by 160 trenches, themselves home to various houseboats. Amsterdam is the money related and business capital of the Netherlands. Amsterdam is positioned fifth best of European urban communities in which to find a global business, outperformed by London, Paris, Frankfurt and Barcelona. Amsterdam is the business capital of the Netherlands and it is one of the best money related focuses in Europe, Amsterdam is viewed as an alpha world city by the Globalization and World Cities (GaWC) think about gathering. It is likewise the social capital of the Netherlands.
