Program Announcement

Venue

Valencia, Spain

Important Dates

Abstract submission opens: April 01, 2019

Registration opens: April 10, 2019

Early bird registration: September 25, 2019

On spot registration: November 27, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Human Health Metabolism 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Human Health and Metabolic congress.

About Valencia, Spain

Valencia is a vibrant, cosmopolitan city on the Mediterranean Coast. Once the capital of its own kingdom, it is now a regional capital and Spain's third largest city. Surrounded by orange orchards and sandy beaches, the city enjoys year-round sunshine and has become a popular conference center. Each civilization has left its mark and the historic centre includes a 13th century cathedral with paintings by Goya, and a splendid gothic 15th century silk exchange market.

Valencia is known for the high-quality rice it grows and rice dishes, such as the now world-famous Paella, the traditional gastronomy of the region has much more to offer. Valencia was also the birthplace of the cold xufa beverage known as orxata, popular in many parts of the world, including the Americas.
