is your CLIENT

Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Healthcare, Diabetes, Obesity, Metabolism, Nutrition, Endocrinology, Pediatrics and many more

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

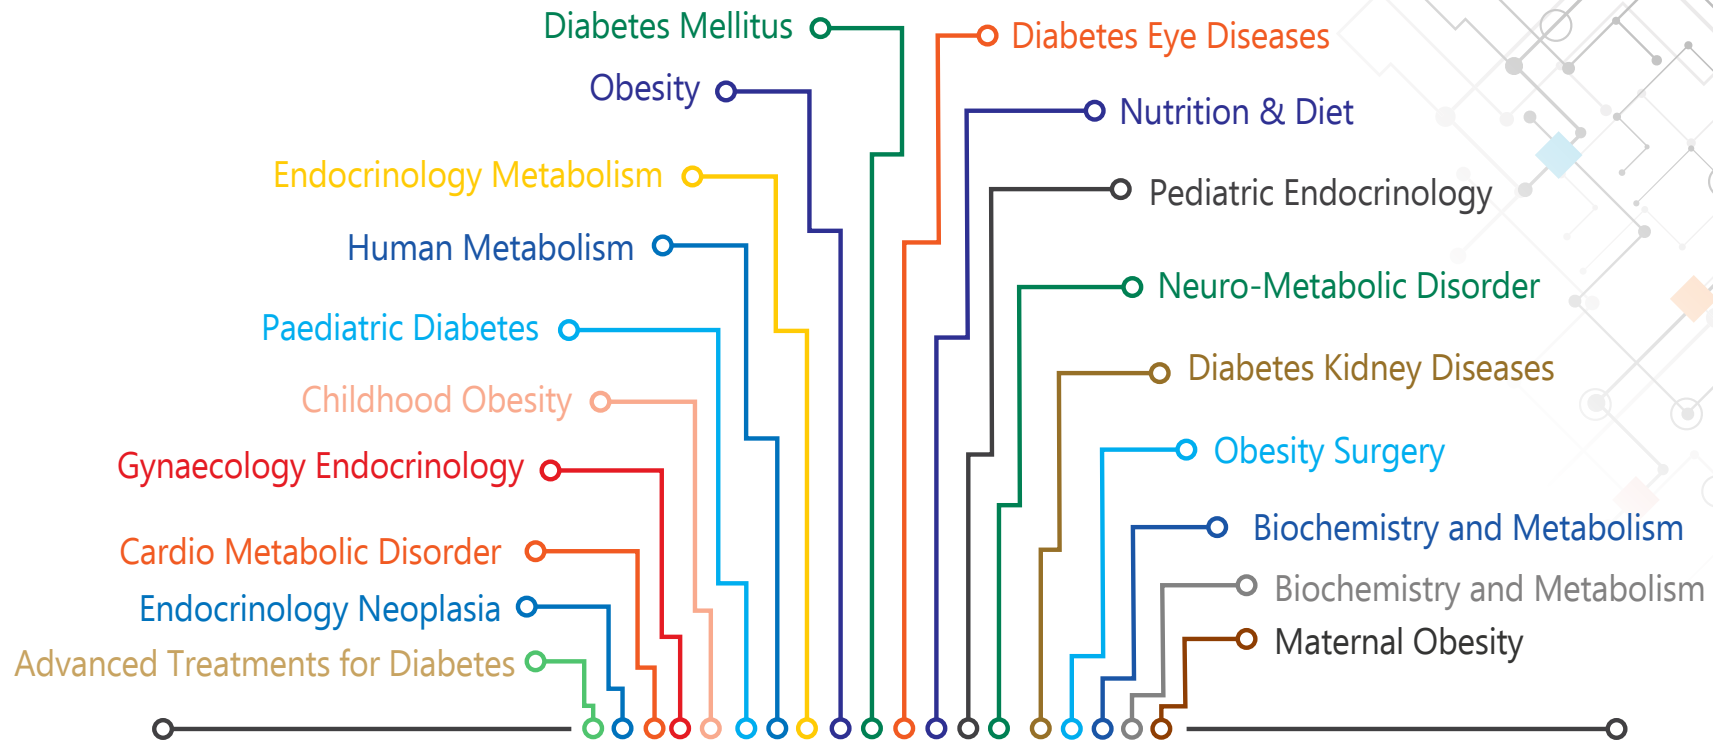

Workshops and
Special Sessions

40+ Oral
Presentations

25+ Poster
Presentations

Young
Researchers
Forum

Conference Sessions

Venue & Hospitality

Abu Dhabi is the second most densely populated city of the United Arab Emirates (most popular known as Dubai). Abu Dhabi is the capital of both United Arab Emirates and emirates of Abu Dhabi. It is the largest of the UAE's seven emirates. Abu Dhabi has many tourist attractions such as the Abu Dhabi Louvre, Ferrari World and the Emirates Palace. A big crowd gathers to the most populated city of UAE for the international Jazz festival. The event is celebrated in the month of May, for attracting the music lovers. The national day is celebrated by the public of UAE in the month of December. The Sheikh Zayed Grand Mosque is the major sight attraction and wows all who visit. But the city also makes a good base for excursions to the desert landscapes of Liwa Oasis and the oasis city of Al Ain. In Abu Dhabi there is a good place for visitors to see local women demonstrating traditional skills such as weaving, embroidery, and basketry that place is known as women's handicraft Center. Abu Dhabi is the second best city to live, work and do business.

our DELEGATE is your CLIENT

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2017-2018, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan, Spain and UAE
