

International Congress on

# NEUROLOGY

September 28-29, 2020 | Auckland, New Zealand

*Theme: "Novel Therapies in Neurosciences and Neurological Disorders"*

# *Invitation...*

**Dear Colleagues,**

Conference Series LLC LTD welcomes you to attend the **International Congress on Neurology** during **September 28-29, 2020** in **Auckland, New Zealand**. On this auspicious occasion, the Organizing Committee invites the participants from all over the globe to take part in this annual flagship conference with the theme "**Novel Therapies in Neurosciences and Neurological Disorders**". **ICN 2020** aims to proclaim knowledge and share new ideas amongst the professionals, industrialists and students from research areas of Neurologists, Scientists, Researchers, Pediatric Nurses, Neonatologists, Pediatric doctors, educators, pharmacists, and other healthcare professionals to share their research experiences and indulge in interactive discussions and technical sessions at the event. The Conference will also have a space for companies and/or institutions to present their services, products, innovations and research results.

## *Why to Attend???*

This event is dedicated to Neurology and its advances with the augmentation of novel technologies. This event will bring to your oral and poster presentations, young research forum, technical workshops along with Keynote talks from experts and panel discussions. ICN 2020 offers a fantastic opportunity to make networks in the field of Neurology, by providing collaborations. It allows delegates to have issues addressed on Neurology by recognized global experts who are up to date with the latest developments in the fields and provide information on new techniques and technologies. We honestly believe that your subscription towards the conference will go a long way in encouraging your products, brands, and company.

# Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Cardiology and Healthcare are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

Wellington is the capital city and second most populous urban area of New Zealand, with 412,500 residents. Situated at the southern end of the North Island, Wellington, New Zealand, was recently named “the coolest little capital in the world” by Lonely Planet. Surrounded by nature and fuelled by creative energy, Wellington is a compact city with a powerful mix of culture, history, nature and cuisine. Fuel your visit with strong coffee and world-class craft beer – Wellingtonians are masters of casual dining, with plenty of great restaurants, night markets and food trucks.

Relax at Oriental Bay, Wellington’s golden-sand inner-city beach and delve into the many museums, art galleries and theatre shows that make up the city’s pulsing cultural scene. If you’re into the outdoors, Wellington has action-packed adventure activities like mountain biking and sea-water kayaking, as well as beautiful walks around the harbor and surrounding hills. Try the visually stunning Makara Peak track, as well as the City to Sea walk where you can experience the best of Wellington’s waterfront. Ride the cable car up the hill to Kelburn for amazing views over the city and enjoy an ice cream at the top.
