SCIENTIFIC PROGRAM

DAY 1
Monday, 23rd November

08:30-09:00  Registrations

09:00-09:30  Introduction

09:30-09:50  COFFEE BREAK

09:50-11:50  KEYNOTE LECTURES

11:50-13:10  Talks On:
               Inorganic Chemistry | Organometallic Chemistry
               Talks On:
               White Biotechnology | Green Chemistry
               Element Denotation
               Fibres and Plastics
               Organometallic Compounds
               Geochemistry
               Geochemistry
               Bio catalysis
               Waste minimization
               Use of renewable resources or agro industrial residues
               Use of renewable resources or agro Industrial residues
               Renewable feedstock Optimization

13:10-13:15  Case Reports

13:15-14:00  LUNCH BREAK

14:00-16:00  Talks On: Petroleum | Polymer Processing
               Talks On: Material Science | Chemical Metallurgy
               Olefins and aromatics
               Monomer vs. Polymer
               Fluid catalytic cracking
               Plasticization of polymers with supercritical fluids
               Crystallography
               Aerospace and transport
               Advanced manufacturing
               Renewable and Sustainable Energy

16:00-16:20  COFFEE BREAK

16:00-17:00  Young Researchers in Molecular Imaging

17:00-18:00  Workshop

London Attractions

- Disneyland Resort London
- City Hall London
- Royal Botanical Garden, London
- Palm House Kew Gardens London
- London Eye
- Pantheon
- Leaning Tower of Pisa
- London Bridge
- London GVA
