

About Conference

Infectious Diseases Conf 2019 is a leading premier forum and an International conference dedicated to Infectious Diseases, Prevention and Control with the theme “**Towards a world free from the threat of Infectious diseases**”.

Infectious Diseases, Prevention and Control is an international platform for presenting research about Infectious Diseases, control and Therapy. Infectious Diseases are disorders caused by organisms such as bacteria, viruses, fungi or parasites. Infectious diseases may be of waterborne, foodborne, vector-borne, airborne in human beings as well as in plants and animals. Infectious diseases basically emphasize on the pathogenesis of the bacteria and their therapeutic measures, coalesce of branches of microbiology especially clinical and diagnostic microbiology which deals with the cure and prevention of the Infectious Diseases. It represents an increasingly important cause of human morbidity and mortality throughout the world. Vaccine development is thus of great importance in terms of global health. The conference also welcomes International exhibitions from corporate sectors to showcase the recent advancements in Infections and its Therapy.

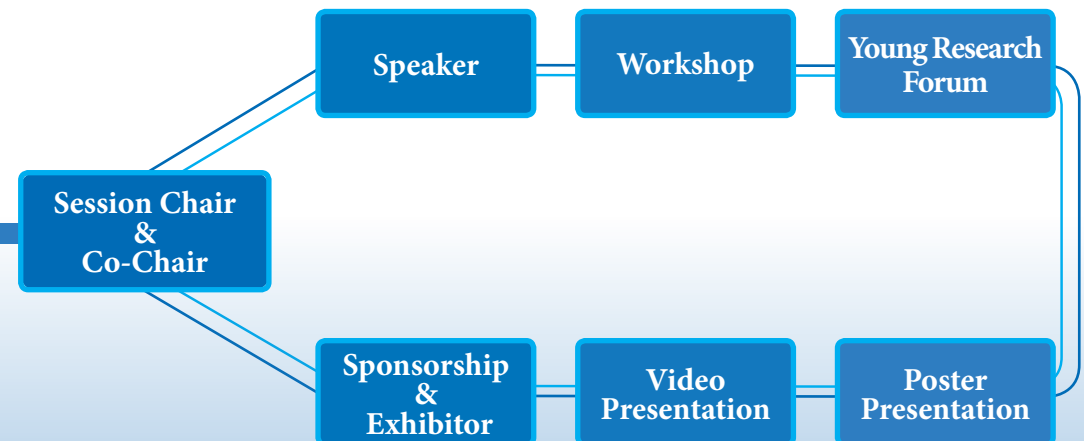

**14th International Conference on
Infectious Diseases, Prevention and Control**
March 21-22, 2019 | Dubai, UAE

Event at a Glance

Day 01 March 21, 2019	Day 02 March 22, 2019

Coffee Break	Poster Presentation
Young Research Forum	Video Presentation
Workshop	Panel Discussion
Panel Discussion	Award Ceremony
Day Concludes	Closing Ceremony

Available Opportunities

This two days event is filled with the scientists, professionals from all around the globe. We request interested people to write us regarding the participation for this esteemed event.

Conference Venue

Radisson Blu Hotel Dubai
Deira Creek, Baniyas Rd, Emirate
UAE

Who Attends

- Microbiologists
- Bacteriologists
- Virologists
- Parasitologists
- Parasitologists
- Mycologists
- Pathologists
- Pharmacists
- Epidemiologists
- Dermatologists
- Neurologist
- Ophthalmologist
- Cardiologist
- Health Care Professionals
- Academic Professionals
- Medical & Pharmacy Companies
- Students

Conference Sessions

- Infectious Diseases and Vaccines
- Mechanism of Resistance
- Drug Interaction in Infectious Diseases
- Immunology of Infection
- Bacterial Infections
- Viral Infections
- Fungal Infections
- Foodborne and Waterborne Infections
- Respiratory and Blood Stream Infections/ Bacter-
aemia / Blood Poisoning
- Dental and Oral Infectious Diseases and Control
- Dermatological Infectious Diseases and Control
- Nosocomial or Hospital Acquired Infection and Control
- Pediatric/ Childhood Infectious Disease
- Sexually Transmitted Diseases and Control
- Plant Infectious Diseases
- Veterinary/Animal Infectious Disease
- Ophthalmological Infectious Diseases

REMINISCENCE OF 2018

Join us at Dubai, UAE as a speaker or as a delegate and help create awareness on Infectious Diseases
