SCIENTIFIC PROGRAM

Wednesday, 25th November

08:30-09:00 Registrations

09:00-09:30 Introduction

09:30-09:50 COFFEE BREAK

09:50-11:50 Meeting Hall 01

KEYNOTE LECTURES

MEETING HALL 01
Emerging Infectious Disease Update
Microbial Drug Resistance
Molecular Immunology and Gut Microbes

MEETING HALL 02
Clinical Microbiology, Bone and Joint Infections
Virology: Research Advancements
Antimicrobial Agents and Chemotherapy

13:10-13:15 GROUP PHOTO

13:15-14:00 LUNCH BREAK

16:00-16:20 COFFEE BREAK

MEETING HALL 01 (16:20-17:00)
Young Researchers in infectious diseases

MEETING HALL 01 (17:00-18:00)
Workshop

Infectious Diseases Meet 2019
We had successfully hosted the “2nd Global Experts Meeting on Infectious Diseases” during February 27-28, 2019 at Tokyo, Japan. The conference was successful in bringing together renowned speakers from various reputed organizations and their paramount talks enlightened the gathering.

The pragmatic meet organized by our management received generous response from the academia, talented Keynote Speakers, Speakers, Young Researchers, Students & Business Delegates who attended from different parts of the world made their valuable contribution to make it a successful event. The conference was marked with the presence of eminent Speakers, Young Researchers, Students & Business Delegates driving the event into the path of success with thought provoking keynote & plenary presentations.

The Conference focused on recent developments in the field of Infectious Diseases and the meeting engrossed in knowledgeable discussions on Novel Subjects.

Special Session:
Title: Is it possible to treat community-acquired and nosocomial infections with the same method without the use of antibiotics
Huang Wei Ling, Medical Acupuncture and Pain Management Clinic, Brazil

Title: Why are diabetic patients still having hyperglycemia despite diet regulation, antglycemic medication and insulin
Huang Wei Ling, Medical Acupuncture and Pain Management Clinic, Brazil

The proceedings of the conference were embarked with an opening ceremony followed by Special sessions and a series of Lectures delivered by both Honourable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talks were:

Keynote forum:
Yoshinori Hayakawa, Toin University of Yokohama, Japan
Huang Wei Ling, Medical Acupuncture and Pain Management Clinic, Brazil

We extend our heartiest thanks to all the Organizing Committee Members for their kind support rendered towards the success of Infectious Diseases Meet 2019. At the same time we take the opportunity to thank all the speakers, delegates and participants for providing their valuable contribution and time for Infectious Diseases Meet 2019.

Apt Carol, South Carolina State University, USA
Yoshinori Hayakawa, Toin University of Yokohama, Japan
Huang Wei Ling, Medical Acupuncture and Pain Management Clinic, Brazil
Xavier Fernández-Busquets, Institute for Bioengineering of Catalonia, Spain
In-Woo Park, University of North Texas Health Science Centre, USA

Infectious Diseases Meet 2019 Organizing Committee would like to thank the Moderator of the conference, Dr. Sovann Peng, who contributed a lot for the smooth functioning of this event.
