### About Tokyo

Tokyo is Japan's capital and the world's most crowded city. It is additionally one of Japan's 47 prefectures, comprising of 23 focal city wards and various urban communities, towns and towns west of the downtown area. The Izu and Ogasawara Islands are additionally part of Tokyo. It has neon, high rises, salaryman swarms, pressed trains, front line engineering and modern innovation. In any case, it additionally has antiquated hallowed places, plant-secured wooden houses, cycling grannies, old fashioned sweet shops and town like paths. Tokyo is a nirvana for foodies, and has the world's most astounding volume of Michelin stars in a city. Shopping is another feature – it merits conveying an unfilled bag to load with difficult to-oppose devices, trendsetting pieces of clothing and fortunes from art and configuration stores. Furthermore, now there's another motivation to visit: the 2020 summer Olympics will occur in Tokyo. Thus, is the mind-set refreshingly cheery, as well as a pile of new advancements, inns and foundation redesigns are in the pipeline.
