

SPONSORSHIP OPPORTUNITIES

16th Annual Conference on

Laboratory Medicine & Pathology

April 22-23, 2019 Kuala Lumpur, Malaysia

our DELEGATE
is your CLIENT

Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Clinical Microbiology & Microscopy, Laboratory Management, Transfusion Pathology & Medicine, Clinical pathology, Cytogenetic and many more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

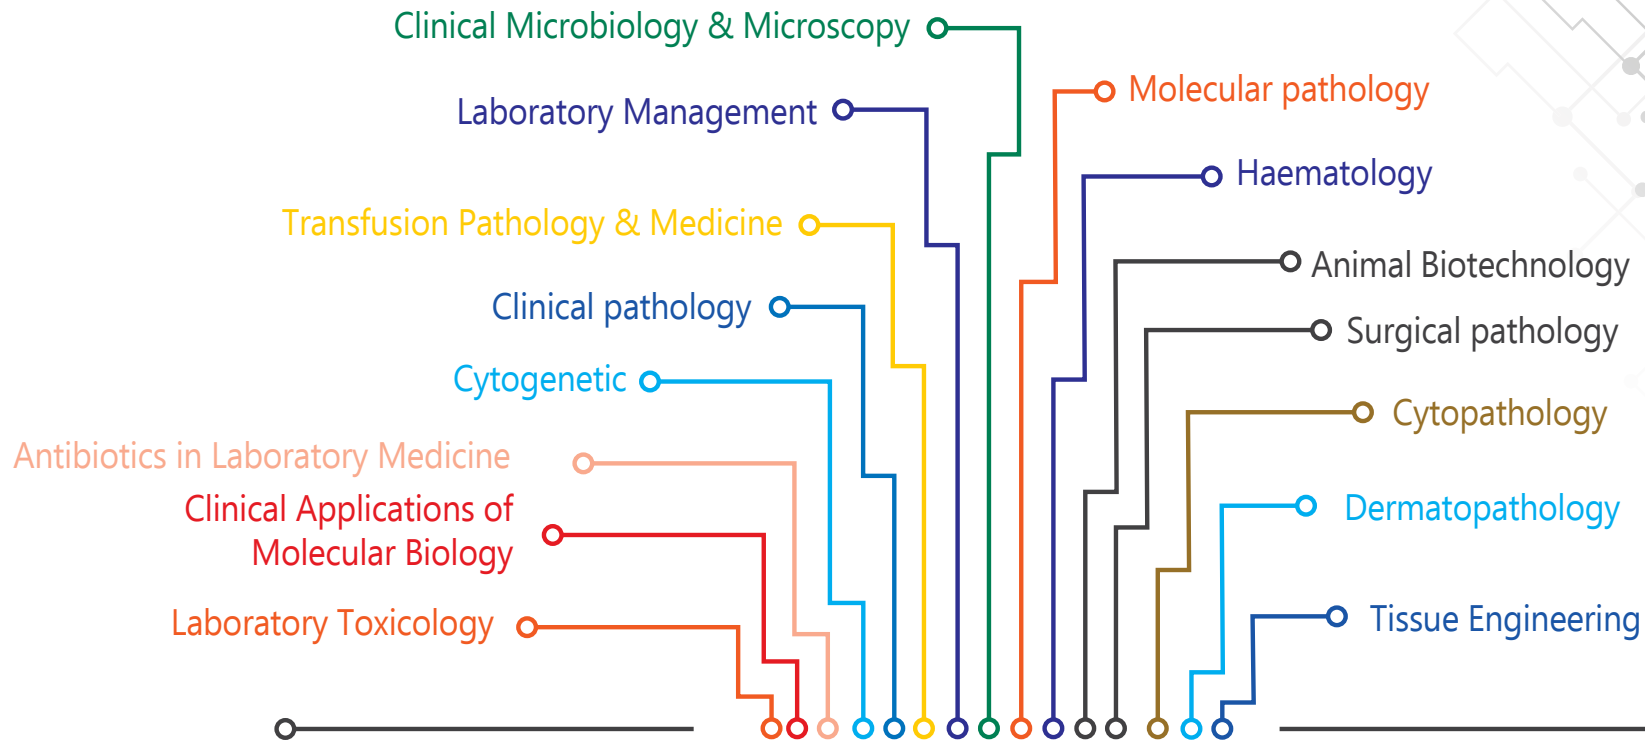

Workshops and
Special Sessions

40+ Oral
Presentations

25+ Poster
Presentations

Young
Researchers
Forum

Venue & Hospitality

Dynamic cities, fabulous food, beautiful beaches, idyllic islands and national parks with wildlife-packed rainforests – all of this can be found in Malaysia. A skyline punctuated by minarets, Mogul-style domes and skyscrapers; vibrant, food-stall-lined streets shaded by a foliolate cover of banyan trees – this can be Malaysian capital, The Kuala Lumpur. With frequent sales events throughout the year, expansive looking malls like collapsible shelter KL and Suria KLCC also are among the most important tourer attractions within the town, hosting a large vary of upmarket labels from everywhere the World.

The cultural hub of Malaysian capital, Kuala Lumpur is visually outlined by the iconic Petronas Twin Towers , which, at 88 stories high, are the tallest twin buildings in the world and a vision of modern architecture.

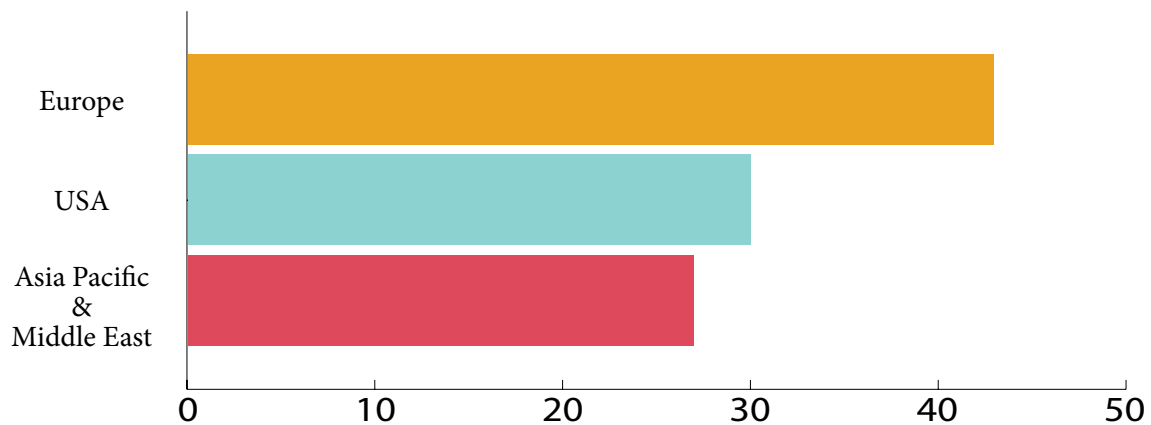

our DELEGATE is your CLIENT

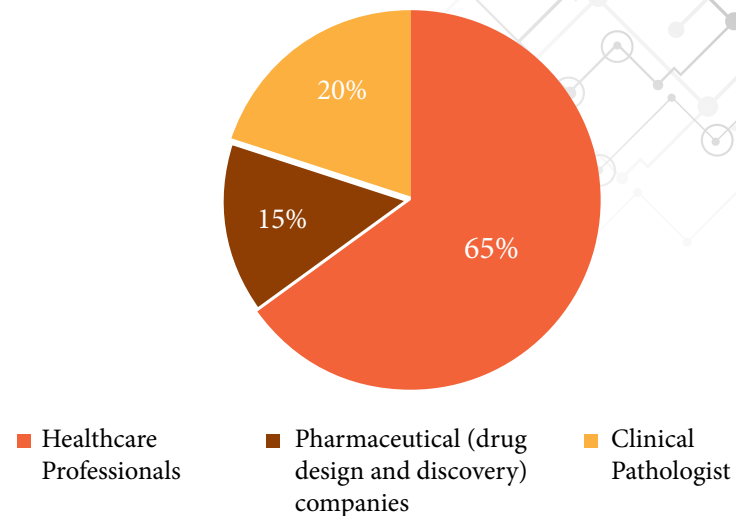

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2017-2018, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan, Spain and UAE
