Important Dates

Abstract submission opens: December 18, 2018

Registration opens: December 18, 2018

Early bird registration: June 25, 2019

On spot registration: November 12, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Lung Cancer 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Tokyo

Tokyo, the capital of Japan is the most populous metropolitan area in the world. It is one of the 47 prefectures of Japan, and consists of 23 central city wards and multiple cities, towns and villages west of the city center. It is the seat of the Emperor of Japan and the Japanese government. Tokyo is ranked first in the Global Economic Power Index and fourth in the Global Cities Index. Tokyo has the Japan's largest museum; Tokyo National Museum specializing in traditional Japanese art. Tokyo has an unlimited choice for entertainment, shopping, culture and dining to the visitors. The history can be appreciated in districts such as Asakusa, and in many excellent museums, historic temples and gardens. Tokyo also has a number of attractive green spaces in the city and within relatively short train rides at its outskirts.
