# WEBINAR 2020

## SCIENTIFIC PROGRAM

30<sup>th</sup> Annual European Pharma Congress  
&  
18<sup>th</sup> International Conference and Exhibition on  
Materials Science and Chemistry

18 May | 2020

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
